

DEMOCRATIC TIMES.

C. of H.—The regular session of the Grand Council of the Champions of Honor will convene in this place to-day, the 22d. A large number of delegates from every portion of the county will no doubt be in attendance.

THANKS.—We have been requested by Louis Huseman and other residents of Yreka who were favored with some of the Jacksonville steam mill's flour, to return McKenzie & Foundry their thanks.

REUNION.—One of Senator Ross' four-horse teams ran away near Blackwell Tuesday, with serious consequences. One of the horses was killed, another seriously hurt, and the others were more or less injured.

RELIGIOUS ITEMS.—Rev. M. A. Williams will hold Communion services at the M. E. Church in this place next Sunday at 11 o'clock a. m., after which a collection will be taken up.

FLAG AND BANNER.—The Democratic ladies of Jacksonville and vicinity are preparing a handsome flag for presentation to the Hancock and English Club on the 30th.

PROFESSIONAL.—Judge Prim, than whom nobody in Southern Oregon is better or more favorably known, has opened a law office in Mrs. McCully's building, corner of California and Fifth streets, where he may always be found when not otherwise engaged.

GRAND EVENT APPROACHING.—Dr. V. H. Schutz, in commemoration of his birthday, will give a party at his hall on Monday evening, November 1st, which promises to be the event of the season.

DIPHTHERIA REPORTED.—One of the children of Jos. Robinson of Wagner creek died last week from what the attending doctors pronounce to be diphtheria in its most malignant form.

DEMOCRATIC MASS MEETING.—Great preparations are being made for the Hancock and English meeting on the 30th, which will no doubt be the greatest political meeting ever held in Southern Oregon.

THE MEETING AT EAGLE POINT.—The canvass being made in this county for Hancock and English is progressing successfully and a good report may be looked for on the 21st of next month.

THE FOOT RACE.—By far the most exciting event of the Mount Shasta district fair last week was the foot-race, free-for-all, distance 60 yards, held two in three for a purse of \$50.

THE FOOT RACE.—By far the most exciting event of the Mount Shasta district fair last week was the foot-race, free-for-all, distance 60 yards, held two in three for a purse of \$50.

BRIEF REFERENCE.

Plenty of frost. Beautiful weather. Democrats to the front.

Mass meeting on the 30th. Yreka is using Eastern lard. Look out for fraudulent voters.

Work for Hancock and English. The Linn county fair was a success.

Overland travel has been heavy of late. Only eleven days more until the election.

Beautiful visiting cards at the TIMES office. Hancock and English are the coming men.

A large amount of teaming is now going on. Isaac Cox is now a resident of Modoc county, Cal.

Miss Frankie Howard has returned to Roseburg. John Miller's store is beginning to look gorgeous.

Jos. Solomon of Woodville was in town yesterday. Every Democratic vote should be polled on Nov. 2d.

Charley Hargaline, lately of Ashland, is in Portland. Several residents of Ashland attended the Yreka fair.

Don't fail to call on E. Jacobs and see his new goods. John Orth has purchased 40,000 pounds of wool lately.

A Chinese Masonic lodge is now in session in this place. We would like to hear from those who promised us wool.

The fall clip of wool is arriving and being shipped below. Remember the great mass meeting in Jacksonville next week.

Everybody is coming to the Democratic meeting on the 30th. The weather is quite cold during the night and until after sunrise.

There will be a Republican meeting at Eagle Point to-day at 1 o'clock p. m. Ashland's town election falls on the same day as the Presidential election.

The Excelsior Livery Stable is the place to get your rigs for every occasion. Sheriff Bybee took Wm. Kittle, an insane man, to East Portland last Friday.

A large number of Klamath Indians were in town this week on a trading expedition. The Hancock and English Glee Club meets at Holt's hall for rehearsal this evening.

Better than a letter to your friends in the East: A copy of the TIMES sent regularly. Alf. Slocum of Roseburg will act as agent for Frank Bos. during the ensuing year.

A pleasant party took place at the residence of Frank Krause on the evening of the 14th. E. H. Autenrieth, who is making a successful canvass of the State, will return home Sunday.

J. B. Thomas lost his fine "Vermont" stallion the other day from some unknown direction. Jos. L. Wilder, having sold out his interests in Josephine county, has removed to Jacksonville.

Geo. W. Ratier has the heartfelt thanks of the thirty patriots for a basketful of superior cider. Jas. Hard is sawing 20,000 feet of frame lumber for the Centennial Mining Co. of Willow Springs.

A great majority of the young men everywhere will cast their maiden vote for Hancock and English. J. J. Lathrop is now breaking two fine colts, one belonging to Jos. A. Crau and the other to W. G. Bishop.

The Douglas county Circuit Court is in session. Some cases from Jackson and Lake counties are on the docket. Some miscreant burned John Cimborisky's cabin on Cantrell gulch, as also his reservoir, during his absence East.

A vast amount of produce has been and is now being hauled to Lake, Josephine, Siskiyou and Modoc counties. The October term of the Circuit Court for Josephine county will convene next Monday. The docket is not heavy.

Every Democrat should be at the polls on election-day and do his best for the success of the party. Now or never. Phoenix now has a Garfield and Archer Club as well as a Hancock and English Club, and everybody seems satisfied.

Wool is holding its own in the San Francisco market, being quoted at 25-29 1/2, the last being the price of best fleeces. Flour, grain, county scrip and money taken at par on all accounts with the TIMES office. Now is the time to respond.

L. Huseman of Yreka has sold two of his fine Merino bucks to Wells Bros., extensive stock raisers of Ashland precinct. Jas. Hamlin has sold his land of cattle in Lake county to Capt. Barnes and others, receiving a good price for them.

Politics has entirely superseded the C. C. W. R. enterprise, it would seem. The latter should not be neglected, however. Dollarhide & Co. are putting up new buildings near the Siskiyou mountain toll-house and making other improvements.

The Yreka fair is over and those who went from Southern Oregon to take a peep have returned home wiser, if not richer. Capt. Smith's bill providing for the destruction of noxious weeds has passed the Legislature and will probably become a law.

G. Karewski, as will be seen by advertisement, is paying the highest cash price for wheat. He is a rustler and means business. The figures 329 bother our Republican friends. The figures displayed on the 21 day of November will aggravate them still more.

Representative Stearns has introduced a bill to amend certain sections of the act creating the county of Lake, which will probably pass. The vault erected by Dan Cawley, in memory of his late wife, is one of the handsomest specimens of this kind of work on the Pacific Coast.

The "Sentinel" has subsided in the Presidential controversy and says not a word in relation thereto. We are pleased to see that, knowing it blundered sadly, it is discreet enough to quit.

A Republican in town became so enthusiastic over the Indiana election that his son locked him up in his shop as a preventive against insanity.

Democrats are working all the harder since the October elections, which do not discourage them in the least, but nerve them to earnest, efficient labor.

Geo. Stephenson has returned from Yreka, bringing home his fine stallion "Sir Walter," who won two races in good time, considering the heavy track.

A bill has been introduced in the Oregon Legislature authorizing Cardwell to furnish the best livery in Southern Oregon, and he proposes doing it.

Walker & Wisley are manufacturing 100 gallons of sorghum syrup daily. They raised a large amount of the cane, as also did many of their neighbors.

The ladies seem to be doing their best to look like the men, and their wearing apparel is shaped to that point. Wonder if they are ashamed of their sex?

Gen. T. G. Reames is enlarging his residence and otherwise improving it. J. B. and R. H. McDonald are building a foundation for the intended improvements.

Johnny Cowan has returned from Yreka. He says that the rumor that he invested in matrimony is a mistake, and that he will go it alone for awhile longer.

It is said that one of the results of the Earl of Arlisle's visits to Oregon will be the speedy arrival of a large colony from Scotland, composed entirely of farmers.

The excitement over the October elections is subsiding, but Matt. Dillon can furnish any amount of enthusiasm, of the genuine Kentucky brand, on short notice.

The Yreka fair was quite a success, although the attendance was not as large as usual. Neither were the exhibits as numerous, but of a more substantial character.

Jay Beech has purchased a fine Merino ram from Louis Huseman of Yreka, which sheared 28 pounds of wool. Jim Sutherland also presented him with a fancy rooster.

The Wagner creek school-house is completed and presents a handsome appearance. School will not take up until the sixties among the children of the neighborhood is over.

Dr. J. P. Parker informs us that the report that he had three fingers cut off by the saw in the Big Butte mill is erroneous. He had his fingers cut rather painfully, however.

Kubler & Bro.'s store is receiving the finishing touches and will be ready for occupancy by the first of November. It will be one of the handsomest buildings in Southern Oregon.

The October elections were unfavorable to the Democracy, but the Hancock and English Glee Club sings its stirring campaign songs more heartily than ever. "For Hancock is sure to win."

The excitement over the Presidential election is at its height, but it does not interfere with M. Messer, who is constantly receiving new goods and selling them cheaper than the cheapest.

Blanks of every description, such as death-announcements and assessment schedules of all kinds, for sale at the TIMES office. Also a full line of Justice's and Constable's blanks after the best form.

From Jos. Helms we learn that A. P. Tallent of Wagner creek has purchased Roseburg's place, paying \$5,000 for it. Mr. Rose will remove to Ashland as soon as Mr. Tallent takes possession.

Garfield voted against taking the duty off of tea, coffee and other necessities of life, showing that he is desirous of fostering monopolies to the detriment of the laboring man. Let this not be forgotten.

Business men can keep their money at home by having their bills, statements, letters, receipts, envelopes and every other kind of commercial printing done at the TIMES office. The best work at low rates.

That representative of the slums of Portland, the "Mercury," still pursues Judge Prim with unrelenting vindictiveness, and does not hesitate to slander him in the vilest manner. This should end sometime.

It is said that Ernst Barowsky, who was recently bound over by Justice Huller to appear before the next Grand Jury, his bonds being fixed at \$200, has jumped his bail and left his smetics disconsolate.

Mrs. M. Miss Prim has just received one of the finest stocks of millinery ever brought to Southern Oregon. The ladies should not be slow in calling on them. Everything of the latest styles and best material.

Fred. Flood of Roseburg will address the citizens of Ashland and vicinity to-morrow evening. The Jacksonville Glee Club will also be in attendance, and will discourse some of the most popular campaign music.

Jackson is keeping up her reputation for furnishing more insane people than any other county in the State, according to the population. They are generally near-come, however, many being shipped across the line.

Doctors Chastain and Davis have associated themselves in the practice of their profession at Phoenix. They are experienced physicians and will no doubt give satisfaction. Attention is called to their card elsewhere.

The political campaign is at its height, but public attention cannot be diverted from the merits of the celebrated Singer Sewing Machine. B. H. Feathers, the agent here, can furnish them at astonishingly low rates. Call and see him.

Wm. M. Colvig, Esp., and other speakers will address the citizens of Elton precinct at Phoenix next Thursday, at half-past one o'clock p. m. Everybody is invited to attend the meeting and hear the issues of the day ably discussed.

The Republicans of this vicinity have actually summoned up enough enthusiasm to organize a Garfield and Arthur Club for tonight before election. They will set just time enough to become efficient set of pull-bearers to the Republican corps.

The Mescham referred to as being under arrest in Colorado is probably A. B. Mescham of this State. There is hardly a doubt but what the men referred to are guilty of giving up Jackson to the savages to be butchered. Mescham is insane on the Indian question.

Jos. Patterson and the balance of the party that went to California last May to assist in harvesting the crops of Yolo and Colusa counties, will return soon. They found the climate there unusually unhealthy, most of the party being sick a large portion of their time.

Those Republican roosters that are now airing themselves will look like they had gone through a thrashing-machine after November 2d. The skirmishing has been favorable for the Republicans. But the battle has only fairly begun and will result in their ignominious defeat.

The attraction of our foreign-born citizens is called to an article on our first page from the pen of Frank M. Pichey, one of the leaders of the California Republicans, and who is an exponent of the sentiments of the high-toned Know-nothing ring that runs the Republican party.

The "Del Norte Record" says: Mr. Hamilton, who recently returned from Happy Coast, informs us that he brought over \$1,750 for Mr. Gasquet, which will be applied to the new wagon road. Mr. Johnson did not return in time to advertise for bids this week, but it will be attended to next week.

The editor of the "Yreka Journal" is a philologist. He summarizes thusly: "The Oregonians present at the fair all went home 'hooked,' having lost everything on the foot-race. Last year they won everything and went home 'hooked' at that time, having spent all they won. They thought it better for us to win and spend it, than to lose and have none to spend."

Elder R. H. Sherrill will lecture at Pool's hall, Eagle Point, on Sunday, Oct. 31st, at 11 o'clock a. m. and 7 o'clock p. m. Baptism will be administered at 1 o'clock p. m. of the same day. He will also deliver a series of lectures at the school-house on Foots creek, beginning at 7 o'clock p. m. on Friday, the 22d, and continuing over Sunday. All are invited to attend.

The Hancock and English Club of this place held a large and interesting meeting at this hall on Wednesday evening. The wonderful Glee Club was on hand splendidly, but even while Hon. A. C. Jones presided hot shot in the Republican bulk in a manner that was duly appreciated by the audience. Everything passed off finely, which shows that the October elections have done the Democracy good, instead of harm, by spurring them up to the necessities of the hour.

REPUBLICAN BLOW-OUT.—The partisans of Garfield and Arthur of this vicinity have actually formed a club. Yes, the mountain has labored and brought forth a mouse—a timid little fellow. The news from Ohio and Indiana was so good that they prevailed upon themselves to burn a little powder and have some fun. And they did it, too. The band attracted a fair audience to the Court House, over half of which was composed of non-voters, where a club was brought into existence, long and patient canvassing had induced about eighty persons to sign the roll, and from those in attendance Alvin Kippel was plucked for the role of President, P. M. Muller acting as Secretary and E. Jacobs as Treasurer.

The worrying of the ensanguined netter garment being in order, Nat. Langell, Alvin Kippel and others took turns in releasing the same Republican campaign speeches. It was exceedingly and no laughing. Having punched up the "Sold, South" to their hearts' content, the assemblage was allowed to disperse. Thus ended the first great meeting of the club. It is our sincerest wish that they may be frequent.

REY THERE, EVERYBODY!—Run where? Why to those stores advertised in the TIMES for your clothing, dress-goods, boots and shoes, groceries, hardware, furniture, and everything else you need to make you comfortable and happy. The men who advertise are the men who keep the best goods and sell at the lowest prices. Those who advertise are not afraid to invite the people to come and examine their goods and learn the prices, because advertisers know they have the latest styles, best qualities and sell at lowest rates. When you want to buy anything, buy of those who advertise, and you will get the best at lowest prices. Read all of our advertisements.

JURORS.—The following is a list of jurors drawn for the November term of the Circuit Court for this county: M. Bollinger, E. Seibert, J. A. Anderson, R. B. Robin, S. E. K. Anderson, C. H. Pickens, John N. Young, Wm. Pernell, Jos. H. Davis, P. Dunn, W. B. Kincaid, L. B. Williams, Geo. Schmitt, R. F. Marry, J. A. Pinsky, S. Saltmarsh, G. L. Butler, T. J. Rainey, J. B. Rodgers, T. G. Reynolds, Jas. Hamlin, F. Wertz, T. L. Linkswiler, J. M. Black, J. M. Childers, D. Linn, O. Goodloe, E. Knott, J. W. Collins, John Head, M. L. Alford.

MORRILL'S MINERAL.—This favorite county, managed by that pioneer, Charley Morrill, performed at Holt's hall last Tuesday evening a good-sized crowd. The programme was excellent and gave satisfaction. The dancing was the feature of the evening, though the antics of Bones went far toward keeping the audience in the best humor.

HANCOCK & ENGLISH MEETING.—Judge Prim and other speakers will address the citizens of Table Rock precinct at Sizemore's hall to-morrow (Saturday) afternoon at one o'clock. The Hancock & English Glee Club of this place will be in attendance. A general invitation is extended. Front seats reserved for Republicans.

PERSONAL.—W. L. Rosell, agent for the California marble works, has gone to Roseburg on a business trip and will return in the Spring. He has appointed R. S. Dunlap local agent for Jacksonville, who will attend to all orders.

THE OREGON BLENDING TEA.—If you have any trouble with your kidneys or urinary organs, don't buy some nostrum that you know nothing about, made in some distant city to sell, but buy a remedy that has never been known to fail, made from herbs produced in Oregon and put up by a firm known all over the Coast. Patrons of home industry and be cured at the same time.

Miller has been appointed to take charge of this Circuit and will preach at Heber's Grove next Sunday morning. The people of this section are to be congratulated upon these appointments.

SORGHUM.—Walker & Wisley have placed us under obligations for a quantity of sorghum syrup manufactured by their mill just put up in Manzanita precinct. It has a good color, possesses a maple-sugar taste, and we have no hesitancy in pronouncing it equal to the best imported syrup. We think that it will soon come into general use and keep at home the great amount of money that annually leaves Jackson county for this article.

A CHALLENGE.—I challenge Fred. Wickwire to run a 100-yard foot-race with me for a sum not less than \$100, nor more than \$500, with a forfeit of \$50. The race to come off in Jacksonville, Saturday, Nov. 29, 1880, the forfeit money to be put up and in the hands of responsible parties by Saturday, Nov. 13th. HENRY MESSOR.

Jacksonville, Ogn., Oct. 20, 1880. DAMNEDLY.—Some scoundrel entered Col. J. N. P. Miller's yard one night recently, while he and the ladies were at home, and shot the household twice. The animal was of the shepherd breed and entirely harmless, which makes the dastardly act all the more mysterious. The miscreant will meet with a warm reception if he should repeat his visit.

MEETING AT ASHLAND.—S. F. Flood of Roseburg will address the citizens of Ashland and vicinity at Honck's hall to-morrow evening at 7 o'clock. He is a good speaker and will no doubt interest his audience. By request, the Hancock and English Glee Club of this place will be in attendance. Everybody is invited to attend.

"NEW FANGLED NOTIONS" may not work injury to people when they relate to matters of little consequence, but when entertained as to what we shall take when afflicted with serious diseases of the blood manifested by eruptions, blotches, scrofulous and other swellings and eruptions. Take that well tested and efficacious remedy, Dr. Pierce's Golden Medical Discovery—the greatest blood purifier of the age. If the bowels are very constipated, use Dr. Pierce's Pellets (little sugar-coated pills).

CURIS FEVER AND AGUE. Pleasant Valley, In Davies Co., Ill., March 31, 1879. Dr. Pierce, Buffalo, N. Y.: Dear Sir,—I write this to inform you
