### *OVER AND OVER AGAIN.*

Over and over again,
No matter which way I turn,
I always find in the Book of Life
Some lessons I have to learn.
I must take my turn at the mill,
I must grind out the golden grain,
I must work at my task with resolute will
Over and over again.

We cannot measure the need
Of even the tiniest flower,
Nor check the flow of the golden grain,
That run through a single hour.
But the morning dews must fall,
And the sun and the summer rain
Must do their part, and perform it all
Over and over again.

Over and over again,
The brook through the meadow flows,
And over and over again
The ponderous mill-wheel goes.
Once doing will not suffice,
Though doing be not in vain;
And a blessing, falling once or twice,
May come, if we try again.

The path that has once been trod
Is never so rough to the feet;
And the lesson we once have learned
Is never so hard to repeat.
Though sorrowful tears may fall,
And the heart to its depths be rived
With storm and tempest, we need them all
To render us meet for heaven.

Chemists and physicians agree in calling it "the most genuine and efficient preparation for the purpose." Sold by Druggists, $1 per bottle. ## MEDICAL.

Ayer's *Hair Vigor,*

FOR RESTORING GRAY HAIR TO ITS NATURAL VITALITY AND COLOR.

It is a most agreeable dressing, which is at once harmless and effectual, for preserving the hair. It restores, with the gloss and freshness of youth, faded or gray, light, and red hair, to a rich brown, or deep black, as may be desired. By its use thin hair is thickened, and baldness often though not always cured. It checks falling of the hair immediately, and causes a new growth in all cases where the glands are not decayed; while to brushy, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable.

The VIGOR cleanses the scalp, cures and prevents the formation of dandruff; and, by its cooling, stimulating, and soothing properties, it heals most if not all of the humors and diseases peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible.

As a Dressing for Ladies' Hair

The VIGOR is incomparable. It is colorless, contains neither oil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as an article for the toilet it is economical and unsurpassed in its excellence.
