The heavy rains of the past fortnight have interfered greatly with the sash and door factory at Grant's Pass and when these veins will be authority on this subject, for sale at the rorse. The horse can then her horse. The horse rale that outhority on this subject, on t plicity in the killing of a man named Scott in Siskiyou county several years ago, is mortally injured, as also one Rossi.

Interpretation of the killing of a man named is when they see it. There have been large amounts of gold taken out in several places in the streams where some Rossi.

Interpretation of a good cleanup in the spring, imported article.

The Masons of Grant's Pass are considering the advisability of building a two-story building in connection with J. W. Howard & Co.

It is said that a Chinese company of Portland want to buy Jack Leyton's mining property, for which the sum of \$65,000 W. Howard & Co.

White House is Senator Payne, An Ohio newspaper recently set forth his

arged their with a Republican Senator he said: "I

knowing reasons for the last of the state North and the last any right force his views in respect to silver on the last of the ree his views in respect to silver on That is the position I propose to take the country or to attempt to coerce Con- and I am ready to abide by the conse gress into enacting laws in harmony quences." with Executive opinion. His message contained a plain statement of his views. He does not propose to go any further. This is not only a wise resolve, but it is

This is not only a wise resolve, but it is fair and just to both sides of the issue.

In his anxiety for retrenchment and reform, Postmaster-General Vilas began a wholesale cutting down of the mail service on several of the routes in southern Oregon. This, says the Mercury, caused a petition, signed by the prominent Democrats of that section of the State, to be sent to Washington asking, or rather demanding, the re-establishment of the discontinued service. The

tion. This, it will be remen the chief grievance of the at

way? The question can then be settled whether the United States can run their finances according to their own notions, or whether they are heard to get one there until able to go back.

States which cannot be legally and honorably discharged by the payment of the of the State Temperance Alliance, has those who will be of age before June 7, nethy, the great English surgeon, asked a present standard silver dollar. All the sent the Times the following notice for 1886, or otherwise become eligible by lady who told him she only had a cough amounting to over \$1,000,000,000, are the Oregon State Temperance Alliance vote. All those who do not register by Beware of "only coughs," The worst case payable as required by the act of Congress of July 14, 1870, which act required them to be paid in coin of the standard value prescribed by law on the 14th of July, 1870. Now, every perthe 14th of Jaly, 1870. Now, every person knows that both silver and gold were prescribed as of the standard value at that date. Silver is good enough for the charter or organization, and one for every twenty members or fraction over ten. The O. & C. R. R. Co, will have a reclosing up our bush the people and hondholders.

wishes about the retention of members may attend. Let there be a thorough of their party in the Federal service, representation from all parts of the of their party in the Federal service. Representation from an party of the Republican Senators would to be remembered for its valuable work and expected.

All those indepted to Jas. R. Little and organity requested to call and settle the same at once. An early response is desired and expected. Go Away from Home for News. from the Federal service. They have this opinion because they think that the retention of these men in the service of land gives the following, which is news to land gives the following, which is news to land gives the following are his meals.

Fifty cords of excellent oak wood, service of seasoned and in sound condition. For further particulars enquire at the Times office. the Government practically eliminates us, as the man in question eats his meals from the Republican party some of its regularly: "O'Neil, the Jackson county Increased Opportunities Let. most efficient and tireless workers. So murderer, under sentence of death, is said most efficient and tireless workers. So long as they are comforted with good positions they will not risk them by working for the party." "I think," said Senators are more dissatisfied with the President on account of his retaining lill. A murderer named Barden, under the party is sentence several years ago, thus cheated the gallows."
