Hair restorative in the world is Hall's Hall Renewer. It cures all diseases of the scalp, and stimulates the hair glands to healthful action. It stops the falling of the hair; prevents its turning gray; cures haldness, and restores youthful color and freshness of appearance to heads already white with age. The following are a few illustrations of what is done by

And trea me ribbon of blue,

The maiden has tired of working
And gone away to her play;
The sun in the west is sinking
At the close of the quiet day.
Now the mother's hands are resting
Still holding a stocking of red,
And her thoughts in the twilight shadow
To the far-off future have fled.

Oh! where will the little feet wander Before they have time to rest? Where will the bright heads be pillowed When the mother's loving breast s under the spring's blue violets. And under the summer grass; When over her falls the autumn leaves, And the storms of winter pass?

And a prayer from her heart she utters:
"God bless them, my dear ones all!
Oh! may it be many, many years
Ere serrow to them befall!"

Buckingham's Dye

FOR THE WHISKERS

Is, in four respects, superior to all others.

1st—It will produce a rich, natural color, brown or black, as desired.

2d—The color so produced is permanent, cannot be washed off, and will not soil anything with which it comes in contact.

3d—It is a single preparation, and more convenient of application than any other hair or whisker dye.

4th—It contains no deleterious ingredients, as do many preparations offered for like use.
