J. B. Thomas of Gold Hill, while at work S. M. Lane of Oakland was in town this on a shed the forepart of the week, slipped | week, twelve feet. No bones were broken, but terday.

While handling a sharp ax last Saturday, one of Jas. Armpriest's children accidentally cut another quite severely in the head. the blade cutting through the skull to the brain, inflicting a dangerous and ugly wound. At last accounts the little sufferer was improving slowly.

First-class Book-keeping. Prof. M. J. Unger, the well-known teacher of book-keeping, will open a school at this place on Tuesday next. He is master of seven different forms, all of which are first-class and thoroughly practical. Butte precinct, and his pupils can select the one which suits them best. The term will consist of advertisements, six weeks and five lessons each week, for Nature's remedy is what they say which the sum of \$10 will be charged. This Oregon Kidney Tea. to become familiar with the art at a very reasonable price. Prof. Unger's methods of book-keeping are practical in every detail, brief and concise—a decided improvement apon the theoretical principles of the average business college. He has taught in many states and territories and everywhere gave the fullest satisfaction, as is shown by the many flattering testimonials he has been favored with. Those desiring to learn book-keeping never had as good an opportunity as now, and should not fail to embrace it. Prof. Unger should be well patronized.
