UNITED STATES OFFICIAL PRESS. DECEMBER 17, 1886

TO ADVERTISERS. he #13 CS has actrentation of 2,300, the targest cajoyed by any newspaper published between Portland and Red Bins, Cul. a distance of 600 miles. It therefore offers the best inducements to advertisers. Our list is principally confined to Jackson, Josephine and Klamath counties. Business men hould take note of this.

THE HAND OF WOMAN.

Blessings on the hand of woman,
Angels guard its strength and grace,
to the palace, cottage hovel,
O, no matter where the place!
Would that never storms assailed it,
Rainbows ever geatly curled:
For the hand that rocks the cradle,
Is the hand that rocks the world.

Infancy's the tender fountain;
Power may with beauty flow;
Mothers first to guide the streamlets;
From them souls varesting grow;
Grow on for the good or evil;
Sanshine streamed or darkness hurled;

the hand that rocks the crause, the hand that rocks the world.

Noman, how divine your mission Here upon our natal sod! Keep, O keep the young heart open Always to the breath of God! All true trophies of the ages Are from Wother Love impearled; For the hand that rocks the cradle, Is the hand that rocks the world.

essings on the band of woman

ALL SORTS.

The Democratic press of New York is after the World with a sharp stick. Mr. Puliver will used the check of a blass foundry to much longer keep up his presence of publishing a Democratic sheet.

This government has received, through the case of procession would be contained by the government in this matter.

This government has received, through the case of procession would never contained the procession would never coase, for a new generation would be coming on the stage as fast as it moved.

single file, the procession would never cease, for a new generation would be coming on the stage as fast as it moved. The people of Roseburg want the government to build in their town a commodious custom house to be occupied also by the land office, postoffice and signal service. The piess of the place are urging upon Oregon's representatives in congress to secure an appropriation at the next session for this purpose.

Donald Maelesy, George W. Flanders, John McCraken and George W. Wilder have incorporated the Willamette river bridge company, with capital at \$500,000, divided into 5000 shares at \$100 each. The object is to build a railroad and wagon bridge across the Willamette from a point near Holladay's avenue in East Portland to a point opposite, to be a toll bridge.

Recently the driver of the team belonging to the Capital Lumbering Co. had his two horses weighed, and he row claims that there is no team in this section of the country which will compare and proposed and the country which will compare and factors weighted, and he row claims that there is no team in this section of the country which will compare and factors with the control of the country which will compare and factors with the control of the country which will compare across the Will meet part of the team becoming the factor of the country which will compare and propriate in an international exhibition, which will be described to the did at Manchester, England, next year of colerates the jubilee of Her Majesty's to colerate the jubilee of the exhibition will be to illustrate, as fully as possible, the progress made in the development of the two this proposal to the case of the progress made in the development of the transmitted on the dishand let it slide down to the heath of the shifting that the will be found the first the jubilee of Her
