H. Herron, Multnomah County; "Health and was buried the following day in the gestion is a very striking sign of a dangerous disease of this journalistic fledge-ling, called, in pure English, the "Big-head." Make a better paper than the Scattinel indeed! Bright and brilliant reasoning for a "scholar." Such words as "injection, louse, hypocritical" and as "injection, louse, hypocritical" and like in an article written by Mr. Merritt, the leading schoolmaster of Jacksonville, shows that a dose of "good manners" would be a wholesome decection for this pretentious half editor, of the hybrid. Schools: "How to Secure Packard, principal North Schools. East Portland: Any 22d, 1821, and was married to Merritt, the leading schoolmaster of Jacksonville, shows that a dose of "good manners" would be a wholesome decection for this pretentious half editor, of the hybrid. Principal North School. East Portland: Any 22d, 1821, and was married to Ministration." shows that a dose of "good manners" would be a wholesome decoction for this pretentious half editor, of the hybrid sheet, half democrat, half republican Jackson and Merritt, a compound monstrosity; half saint, half devil, and by close scrutiny of these phrases, you may perceive who his satanic majesty is. Now, Mr. Merritt, fairly and squarely, surely our little item did not give the offence you make out. You must have had a small quantum of pent-up venom for us because we dared to suggest that the Times was a better paper than the Sentinel, with the man of "diction" at its head. This of course you could not endure, and you thought you saw a near cut to notority, and in order to impress your admiring constituency, (though very small) with your wonderful powers of invective, you let fly at us. The inact the Luky meeting:

In Public Schools, "How to Secure Packard, Miss Carrie Packard, Muse Carrie Packard, Scientific Course, Aims and Methods of," Rev. W. T. Chapman, President C. L. S. C., Hubstrand Mahala Thomas on the 10th day of December, 1813. They crossed the plains in 1847, and have since lived in Oregon, residing in the Willamette valley, near Salem, where Mr. Thomas engaged in the saw-mill business. Music: Address—"Higher Education of Women." Mrs. O. S. Pollock, Jackson county, and ever since resided bere, following the saw-mill business, Mr. Thomas has ever been an honest, industrious worker. He was not one of those who believed the world owed him a living, without some exertion on his part. He was a large-hearted, aggressive man; a friend to the needy, liberal to a greater extent than his own welfort provided in defence of the weak and oppressed. It is the Preparatory Department a living of hardship and endur-

ers of invective, you let fly at us. The at the July meeting:
In defence of the weak and opposition of the search and the July meeting:
It is the Preparatory Department a such as "pharisaical assumption; discharge to a College or Unisteel he battled his way through life, along the search of the weak and opposition of 2 Students "not in course," best class-ways cheerful and with a courage to meet every issue. He has gone to his

IN FAVOR OF A SETTLER.-Commis ade such a pretty speech in Roseburg sioner Sparks has reported to the secretary of the interior the case of William Malacke, a settler in Kansa on land the will be secretary of the interior the case of William Malacke, a settler in Kansa on land are an established success." The logical inference of this sentence is that he, Mr. Merritt, the quasi editor of the Mr. Merritt, the quasi editor of the Oregon Scatinel, is capable of judging when a man is a success. Or perhaps he means that he is a brilliant success, and is therefore a capable umpire of Oregon journalism. Now, sir, with a trembling hand in your royal presence, we pen this line to you; a man so devoid of journalistic or gentlemanly courtesy as yourself, a man that will grab at a straw to find a pretext to write as you did in that unmanly article headed "inconsistent and insolent" in your issue the district court appealed to the supreme court. Commissioner Sparks to work as a special place of the withdrawal was made, but was prevented from putting his claim on record by erroneous advice of the railroad the subulding is well under way, another hotel will no doubt be built by the company at Bailey's Lower Soda Springs, near Shasta county boundary line, opposite Castle Rock. Others are also build withdrawn for the railroad, but Mallacke remained on the land. The railroad attempted to oust him, and on failure in the district court appealed to the supreme court. Commissioner Sparks onsistent and insolent" in your issue the supreme court. Commissioner Sparks f June 11th, is not destined in our humble opinion to become at an early day a second Horace Greeley, or a Dana, or a Pulitzer, or even a Harvey Scott. When you belligerent soul gets on fire again, or you are going to have another unproposed eruption, or about the time you have intimediate the settler's are harrassed in like to set aside the railroad patent and take such steps as may be necessary to propose teet the settler's home. If the recommendation be adopted similar intervention may be asked in a great number of the Cascade mountains. The party, mounted upon horseback, and accompanied by pack animals, will first start

only destruction in his wake, with his political political manners, and scholarly phraseology."—Roseburg is and has been for sometime unsettled, but that arrivals far outnumber departures. Each steamer brings between WAGON-ROAD INDEMNITY LANDS .- In 1000 and 1500 new arrivals, while half the answers received by the secretary of that number leave for the East in an en- Bennett, for injuries received while tire month. The increased immigration working in the Cascade tunnel, Anderstand in his rule requiring them to how cause why several orders of withby the impression, now prevalent in that ages. hawal from settlements, of land within country, that in a short time this govern-heir indemnity limits should not be re-ment will forbid immigration of all forvoked, and the lands embraced therein restored to settlements, the Oregon Cen-

brought by the United States to vacate outstanding certifications under this grant for certain lands. This recommendation is now before the secretary of the interior for hearing. The acreage involves more than one-half of the quantity now certified, and more than one-third of the entire grant. If suit is brought, as recommended, to such titles as are evacated thereby an equal acreage is due under the terms of the grant, and must be satisfied within the indemnity belt.
