Only Thirteen Miles of Staging.

It is expected that before next week trains over the California & Oregon road, instead of stopping at Cole's, will run ten miles farther into the mountains, right up to the south end of Summit tunnel. Cole's will still remain a dining station, but stages will start from the new station, which is to be called Siskiyou. This extension reduces staging to about thirteen miles, there being a good road the whole distance. The change makes necessary a few trifling alterations in the time table of the Oregon express, the time of leaving San Francisco and reaching Portland remaining as before. Trains going north will arrive at Cole's at 12:35 P. M., instead of 12:15 and, will leave there at 1 P. M., arriving at Siskiyou at 1:45. Ashland will be reached at 3 P. M., instead of 5:40. Going south the train leaves Portland at 4 P. M., reaching Ashland at 9 A. M., Siskiyou at 12:15 A. M., Cole's at 1:25. Steams at 5:15 P. M., and San Francisco at 7:40 A. M.

A New Feature.

The "Welcome" says that the announcement has gone forth that a common school department of education has been opened at the Portland Business College. No welcome an innovation should have that extensive encouragement which it indubitably merits. The reputation of this educational institution for its thorough and satisfactory work should insure a large attendance. Persons who may not have the inclination or who may be prevented from various causes attending public schools, and those who can attend a night school only, have here an excellent chance for acquiring a sound, practical education at comparatively small expense. The instructors at the Portland Business College are all experienced, with a happy faculty of imparting knowledge in the most improved manner. All who desire information should attend.

Sentenced.

The attorneys for C. H. Caldwell made a strong effort to obtain a new trial for him, and the greater portion of last Monday was taken up in arguing the question. Judge Webster overruled the motion next day, however, and sentenced Caldwell to be confined in the penitentiary for the rest of his natural life. Sheriff Dean and Owen Keegan started to Salem with him the same evening, reaching there Wednesday.

John Dougherty, who was convicted of cutting a son of Frank Yocum with an ax, was on the same day sentenced to six months' imprisonment in the county jail.
