St. We did not doubt the future. Since, our stores have gradually increased with a rapidity that astonished us, necessitating improvement after improvement, all aimed towards having a splendid structure in Sacramento at some future time. That time has come. To-day we are adding 20x80 feet to the rear of our present large establishment, and building two more stories over the 80x100 feet. The carpenters' busy hammers are heard from morn till night, sending forth a tune of enterprise which rings from one end of Sacramento to the other in encouraging tones of commendation. When completed we will have the largest and most magnificent store in Sacramento.

We are ready for a large Order Trade! We are going to have it!
