MEDICAL. THE MARKETS.

This powder never varies. A marvel of purity, strength and wholesomeness. More economical than the ordinary kinds, and cannot be sold in competition with the magnitude of low test, short weight alom or phosphate powders. Sold only in cans. Royal Baking Powders Co., 106 WallSt. N Y.

Long-Standing Blood Diseases are cured by the persevering use of Ayer's

Sarsaparilla. This medicine is an Alterative, and causes a radical change in the system. The process, in some cases, may not be quite so rapid as in others; but, with rsistence, the result is certain. Read these testimonials :

"For two years I suffered from a se-vere pain in my right side, and had other troubles caused by a torpid liver other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sanaparilla. I was greatly benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70 Lawrence st., Lowell, Mass.

Last May a large carbuncle broke out on my arm. The usual remedies had no fiset and I was confined to my bed for ight weeks. A friend induced me to try Ayer's Sarsaparilla. Loss than three botties healed the sore. In all my expe-

Wonderful Results. Another marked effect of the use of this "I had a dry scaly humor for years,

"I had a dry scaly humor for years, and suffered terribly; and, as my brother and sister were similarly afflicted. I presume the malady is hereditary. Last winter. Dr. Tyroz, (of Fernandina, Fla.,) recommended me to take Ayer's Sarsaparilla, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. E. Wiley, 146 Chambers at., New York City.

"Last fall and winter I was troubled "Last fall and winter I was troubled gradually grew worse until it became almost unbearable. During the latter part of this time, disorders of the stom-ach and liver increased my troubles. I hegan taking Ayer's Sarsaparilla, and, after faithfully continuing the use of this medicine for some months, the pain disappeared and I was completely cured."—Mrs. Augusta A. Furbush, Haverhill, Mass.

Search of mild climate and delightful surroundings. No portion of the Pacific of the Rogue river valley is most desdightful. Observation at Ashland shows one-half the rainfall and one-half the cloudy days in each year than we have in Portland. The summers are some warmer than the Willamette valley, the department to make personal investigations of the many charges preferred by the press and public.

It was found that vessels were overdaring about 42 degrees. A few days in summer may reach 102 deg., and the thermometer has gone as low as zero during some of the coldest winters—like that of of the Rogue river valley is most deslightful. Observation at Ashland shows one-half the rainfall and one-half th rived from the fertility of soil and genial- ticularly confined to January and Feb- ing to a few dellars each, which aggre-

ty of climate.

Towns of the valley.

The principal town of the valley is Ashland, situated at the extreme south end, at the foot of the Siskiyon mountains, and a the foot of the Siskiyon mountains, and the principal town of the valley is falls at rare intervals, but it is never cold enough to cause a stoppage of outdoor labor, while the warmest days are ment properly filled, but not giving the rarely collected by the control of the study and represent the results of the many thousand dollars per year.

A novice could explain this questionable operation. The study of the "blue book" were kept and sent to the department properly filled, but not giving the

even rapid growth. Many new buildings are in process of construction and the that their importance demands. In the ship Sardonyx was charged \$9.30, and onrecetion of a large number is contemplated. Ashland has better hotel accommodations than any other town south of Portland. The new hotel, "The Oregon," recently opened, erected and furnished at a cost of over \$40,000, is a beautiful growth of pine and some fir; on the lower system of the proof with a structure for proof while of his is in the lower will be proved by the content of the content of the proof with a structure for proof while of his is in the lower will be proved by the content of the structure—fre proof, built of brick in the Queen Anne style. The S. P. Railroad (Quercus Douglasii) and the common has a large and substantial new hotel on white oak (Q. Agrifolia). There are duties paid on the cargo of the British

springing up out of them grew up the in the valley were taken up under Unyoung city. The town was incorprated ited States laws years ago. But there \$12,000 was found in various parts of the Carr and force him to throw open the land for settlement as well as to punish him for inclosing it. Nothing has yet been done in the case. Unfortunately Mr. Campbell, who made the examination and measurements of Carr's inclosure, was drowned at Oregon city some time ago and it was deemed necessary to have his work verified. This has been done and the surveyors have returned Acting upon the suggestion of District Attorney Carey, Major Brockenbough for Society is well organized, and a refined and elevated public sentiment prevails throughout the community. There are throughout the community. There are throughout the community. There are

Society is well organized, and a refined find forth by legal subdivisions the public sentiment prevails and elevated public sentiment prevails throughout the community. There are two weekly journals published in Ashland, the Tidings and the Valley Record.

Both are bright and filled with local and general news. The advertising columns of these two papers show that the citizens appreciate their worth.
