Logan, the Ashiand photographer He always has the latest noveities in finish, as and no one will go hungry in southern Ore-if you call at his gallery you will learn. From the Applegate section comes the this summer's sun. The great difference news that the unprecedently dry weather is not an unmitigated cur-e to that section by any means, as the heavy first crop of is, that there the loss is total, even the dry by any means, as the heavy first crop of clover and slfalfa filled ell the barns, and a good second crop would have necessitated the expenditure of large amounts in providing shelter for it. Truly this is a great country, and Applegate is one of the best parts of it.
