If people could only know what a splendid medicine it is, there would be many a physician without a patient and many an interminable doctor's bill saved. I consider it infailible in malarial infection. I had, for many years, been a perfect physical wreck from a combination of complaints, all the outgrowth of malaria in my system, and, even under the skillful hands of Dr. J. P. Jones, of this city, I had despaired of ever being a well woman again, Simmons Liver Regulator was recommended to me. I tried it; it helped me, and it is the only thing that ever did me any good. I persevered in its use and I am now in perfect health. I know your medicine cured me and I always keep it as a reliable 'stand by' in my family."—Mrs. Mary Ray, Camden, Ala.
