Swindled a Widow.

Ashland, Or., May 8.—A warrant was issued this afternoon and telegraphed to the sheriff of Douglas county at Roseburg for the arrest of Luther L. Burtenshaw, a lawyer, who has had his shingie out in Ashland for the past year or two. Burtenshaw solicited the collection of an insurance policy for \$1200 for Mary J. Moore, an aged widow lady, whose son died several months ago, and on Wednesday collected the amount of the policy through the Jackson county bank at Mediord. Last evening he paid Mrs. Moore \$600, saying he had not collected the balance and was going away for a few days and would collect it on his return. Suspicion was aroused, which led to the discovery that he had collected the full amount through the Medford bank and had taken the train for the north. It was learned by telegraph that he had left the train at Roseburg, and the sheriff of Douglas county was notified, who arrested him, as stated above, on the charge of embezzlement, Deputy Sheriff Taylor went to Roseburg and brought him back.

him back.

Burtenshaw had an examination in Justice Berry's court on Tuesday last, and was discharged, the state not having made out a case against him. Hammond & Briggs appeared for the prosecution and Senator Weatherford and Col. J. T. Bowditch for the defendant. It is not the first time that Burtenshaw has been discovered in shady transactions; but this last exploit, whereby he robbed a poor widow of a large portion of her meagre pittance, is probably the most shame of Lake creek a visit last neagre pittance, is probably the most sha ul of all of them. Through his low cum he has so far escaped the pentientia though he may not be so successful in work in the future. He left Ashland ima-diately after his examination, and it is st that he is bound for Coos bay. The pub-should give him a wide berth.
