The Oregon Land Co., was especially organized for the purpose of buying and subdividing large tracts of land, and has during the past two years bought and subdivided over 3,200 acre acres of land into five to twenty acre tracts. The success of this undertaking is shown in the fact that out of 200 tracts placed on the market, 25 have been sold. We claim that ten acres of choice land in fruit will yield a larger income than 160 acres of wheat in the Mississippi valley. We also make valuable improvements in the way of roads, tences, clearing the land, etc. We also make valuable improvements in the way of roads, tences, clearing the land, etc. We can sell a small tract of land for the same price per acre you would have to pay for a

"St. Nicholas" for the Summer. During the coming summer St. Nichola During the coming summer St. Nick Claswill continue to march gracefully in advance of the procession—a kind of May Queen. The number for the month of flowers opens with a poem by the late Emily Dickinson, whose poems have recently attracted the attention of critics and have been ranked as works of genuine inspiration. Miss Nora Perry has in the same number a stirring ballad of "The Siege of Calais," which has afforded Mr. Birch an opportunity for some strong illustrative work.
