The Oregon Land Co., was especially organized for the purpose of buying and subdividing large tracts of land, and has during the past two years bought and subdivided over 3,200 acres acres of land into five to twenty acre tracts. The success of this undertaking is shown in the fact that out of 20 tracts placed on the market, 225 have been sold.

We claim that ten acres of choice land in fruit will yield a larger income than 160 acres of wheat in the Mississippi valley.

We also make valuable improvements in the way of roads, fences, clearing the land, etc. We can sell a small tract of 'and for the same price per acre you would have to pay for a large farm.
