MINING NEWS.

Notices for the location of placer and quartz mines, etc., for sale at the TIMES office.

The discovery of ore at the Roten ledge, in Blackwell district, last week, assaying about $800 to the ton, caused quite a breeze in mining circles.

The American Mining Code, standard authority on all subjects pertaining to mining, water-rights, etc., is kept for sale at the TIMES office.

Messrs. Hardy and Slover have made a cinnabar discovery in Evans creek, Meadows precinct, which promises to be one of the richest and most extensive deposits ever found on the coast.

An assessment of four cents a share has been levied on the capital stock of the Siskiyou Consolidated Quicksilver Co., which is operating in West Beaver district in the Siskiyou mountains.

Francis Fitch has had on exhibition at his office in Medford during the past week some specimens of ore taken from the Golden Accident mine on Sardine creek, in which he is interested, that surpass anything seen here for sometime past.

Many have viewed the beautiful specimens of gold brought in by John Wells of Thompson creek, at the banking-house of Beekman & Reames in this place, during the past fortnight, and they are well worth viewing, even in their broken condition, the sections of the golden platter representing a piece not less than seven inches in diameter and worth at least $1,500. Just the amount yielded in the pocket is not for the public to know, but it was something worth mentioning in mining talk anywhere. It is daily demonstrated that the mining era has by no means drawn to a close in southern Oregon.

The Quicksilver Mining Co. this week discharged about 35 of the men who have been at work for them. Twelve or fifteen hands are still employed at their mines. It has been found necessary to remodel the furnace, which work will be finished in about two weeks. Supt. Senn has been succeeded by H. Tuttle of California, an experienced cinnabar miner, and will return to San Francisco temporarily. He has the utmost faith in the success of the enterprise and says that there is a large body of fine ore in sight. The men were laid off in order to curtail expenses, as there is nothing for them to do at present.

Found in the Sacramento River.

On the 10th of October the body of an unknown man was found in the Sacramento river, just below Mott, Cal., by Mr. DeCopple of Mott. Last Monday an inquest was held, but nothing definite could be learned. The deceased had evidently been dead for several days before his body was found. He was a fine-looking man of about thirty-two years of age, five feet seven inches in height, weighing about 160 pounds, dark auburn hair and mustache, hair a little curly. There was no distinctive marks upon his body, save a small mole on the back of his neck. He was dressed in a fine red flannel undershirt and drawers, dark checked flannel overshirt, dark checked vest, spring bottom blue overalls and heavy woolen stockings. No shoes could be found. His hat was found about thirty feet distant laying upon a log. In his pocket were found six dollars in silver, two pocket knives, chewing tobacco, a handkerchief, an almanac, and plats of several townships of land in southern Oregon. Dr. Flett of Sisson was called as a witness, who, after making an examination of the body, testified that there were no marks of violence whatever upon the body, and no other indications as to the cause of his death. He thought it was possible he might have been drowned, as there was no indications that he was not, says the Yreka Journal.

The End Almost Here.

This is the last week of the great Portland exposition. In every respect it is far ahead of nearly anything of the kind ever held on the Pacific coast. No one can afford to miss this exposition, as in all probability its like will not be seen until the lapse of some years. No department has been neglected. The music is surpassingly fine, the art far superior to anything we have seen this side of the Atlantic, and the novel features are of the greatest attractiveness. They are so numerous that space is not sufficient to describe them. The special days for the week are: Monday, baby day. Tuesday, a grand chess tournament with living pieces, to be participated in by noted chess players, upon a board 1024 square feet; the costumes are gorgeous and elaborate, and the plan of play upon a magnificent scale. Wednesday will be policemen's and conductors' day. Thursday, athletic day; this will be one of the great days of the exposition, the Portland Turn Verein being the principal participants. On Friday there will be a grand band contest; bands from several points will enter, as the prizes are of great value. Saturday will be board of immigration day, and the exposition will close with a grand masque carnival, in which all exhibitors will be the participants.

Presbytery Proceedings.

The Presbytery of southern Oregon met with the Phœnix church October 5th. The Rev. Robert Ennis preached the opening sermon, which was a very thoughtful and eloquent discourse. The attendance was good and the generous hospitality of the Phœnix people was greatly appreciated. Rev. Eneas McLean was moderator and Rev. W. A. Smick was temporary clerk. Rev. Robert Christianson was received from the Presbytery of South Dakota and has taken charge of the Myrtle creek church. Our Sabbath-school missionary, Mr. Murdock Robertson, reported the organization of six new Sabbath-schools in the last six months. A very interesting discussion was had upon the revision of the confession of faith. The proposed revision was approved. It is moderate and conservative and modernizes the phraseology of the confession without sacrificing its faithfulness to the Word. One new church was enrolled. We now have fifteen churches and ten ministers on our roll. The next meeting will be at Myrtle creek.

F. G. STRANGE, Stated Clerk.

Reform Needed.

The most disappointing feature of the late Yreka fair was the slim crowd and the dishonest races. It is quite evident that, if fairs are to be successfully maintained for any great length of time, there must be reform both in the manner of conducting and quality of the racing features of the local associations. The public are heartily tired of being buncoed, and a good agricultural exhibition with all racing features eliminated would even be preferable to the character of racing too often offered. A good, honest race for blood, between good horses, will prove the leading attraction anywhere; but it seems that we are fated not to have that style of racing here, at least not until the management learn sufficient of the ways of the track to enable them to keep dishonest drivers and jockeys, to say nothing of their unscrupulous employers, from running the fair. A little education and honesty is what is needed.

Good Advice to Youngsters.

Bro. Townsend of the Lakeview Examiner, like the warhorse of old, scents the battle from afar off, and in a late issue gives the following sound advice to certain young men whose valor seems greater than their judgment. Hear him:

"We hear the names of several attorneys mentioned as being probable candidates for the office of circuit judge. Some of them are old and experienced attorneys and some are young fledglings who have yet to write their first brief. To the latter class we would say wait; if you prove yourself deserving the people will reward you in time, but do not try to force yourselves into office, the duties of which you do not comprehend. The voters of the first judicial district are not anxious to pay the expenses of educating an inexperienced attorney until he becomes a good judge, by placing him on the bench. His mistakes and blunders are too expensive."

E. D. Briggs, the Ashland attorney, has purchased the Jesse Dollarhide property in the Iowa addition to Ashland, and will have the same improved. He paid $265 for it at administrator's sale.

Experience has proven that fall-sown crops on clean ground always yield better and more certainly than any other. Our farmers should sow as much as possible before the winter rains set in.

A lodge of the Knights of Pythias will be organized at Jacksonville sometime during the present month. About 29 of our leading young men have signified their intention of becoming charter members.

The Ashland militia boys will again pursue the custom inaugurated last winter of having weekly dances at Granite Hall, the first of the series taking place under favorable auspices last Saturday evening.

From the Del Norte Record we learn that the sum subscribed in that county for a railroad to some point in Jackson or Josephine counties has reached $41,675, with some portions of the county yet unheard from.

Ladies, you will find the prices of ALL-WOOL dress goods very much reduced at Reames & White's store this fall and winter. All their present stock in this line must be sold. Call and examine goods and ascertain prices.

Mrs. G. W. Edwards and Miss Sarah Anderson returned to the old homestead on Wagner creek from San Francisco during the past week, and will remain during the fall months, Mr. E. having business in the fruit line for sometime to come.

St. Patrick's Pills are carefully prepared from the best material and according to the most approved formula, and are the most perfect cathartic and liver pill that can be produced. G. H. Haskins, Medford, and Dr. J. Hinkle, Central Point, sell them.

I was troubled with catarrh for seven years previous to commencing the use of Ely's Cream Balm. It has done for me what other so-called cures have failed to do—cured me. The effect of the Balm seemed magical.—[Clarence L. Huff, Biddeford, Me.

Dr. C. E. Loomis, late land agent, who discovered more crookedness in the land department than he was sent out to discover, and who was relieved of his commission in consequence, has gone into the drug business and settled down into honest life at Eugene.

After trying many remedies for catarrh during the past twelve years, I tried Ely's Cream with complete success. It is over one year since I stopped using it and have had no return of catarrh. I recommended it to all my friends.—[Milton T. Palm, Reading, Pa.

One warm day last week ex-Commissioner Carlton of Butte creek had a costly experience while driving hogs to market across the desert in the heat of the day. No less than twenty-five of the fat animals succumbed and died on the journey, involving a loss of at least $250 to the owner.

During the "Hard Times" entertainment at Ashland last week an overturned coal oil lamp caused quite a commotion for a time, and a panic was narrowly averted by the coolness of a few present, who stayed the rush for the doors and calmed the crowd until the flames were extinguished.

The running of the local accommodation train during the fair by the management, when the railroad company refused to take the risk itself, was a profitable venture, although at a net loss to the association of about $100 for the privilege. The attendance was very materially increased thereby.

A sure cure for the whisky habit: Dr. Livingstone's Antidote for Drunkenness will cure any case of the liquor habit in from ten to thirty days, from the moderate drinker to the drunkard. The Antidote can be given in a cup of coffee without the knowledge of the person taking it. The Antidote will not injure the health in any way. Manufactured by the Livingston Chemical Co., San Francisco, Cal. Sold by E. C. Brooks, Jacksonville; Miller & Strang, Medford, Oregon.

J. Nunan is always ahead. He carries an immense stock of general merchandise of the best quality and sells at the most reasonable rates.

Do not forget the teachers' association meeting to be held at Medford on the 24th inst. Every teacher in the county should make it a point to attend.

Important improvements are reported at the works of the Garfield Iron and Lime Company near Rock Point, and we learn that the proprietors intend to make the manufacture of lime on a large scale their especial business during the next few months.

A McMinnville correspondent has this to say of a young man who recently lived on Lake creek and at Medford: H. J. Little, while out riding Sunday with the Misses Shurtleff, had quite a lively runaway. The buggy was upset and the occupants thrown out, but fortunately they were not seriously injured.

J. G. Bone, a druggist at Dunmore, Pa., says he has never sold a medicine that gave such universal satisfaction as Chamberlain's Colic, Cholera and Diarrhœa Remedy, and that the large demand for it has been a great surprise to him. It is sold by Dr. J. Hinkle, Central Point, and G. H. Haskins, Medford.

Quite a number of taxpayers have been in Jacksonville during the past week attending the sessions of the board of equalization. Assessor Hamilton has raised the figures given in by many during former years, which is the cause of the dissatisfaction. The board has taken the complaints under advisement.

George A. Jackson wound up the season's melon shipments last week by sending a carload of splendid casabas below, making the fourteenth car of melons, to say nothing of 4,000 boxes of peaches, which he has shipped from this station during the past few months.

We are sorry to announce the death of Miss Helen Martin of Yreka, Cal., which occurred on the 7th at the residence of relatives in Haverhill, Mass., whom she was visiting at the time. She was an amiable, intelligent young lady, who had a host of friends. Her father, Jacob Martin, was at her deathbed.

Minnie R., owned by E. Flitner and sired by Scamperdown, out of Sally Blair, has been running well at Oakland and San Francisco lately, although she is rather old. She ran two races one day recently and won both of them, making the six furlongs in 1:15 and the mile in 1:45.

For a troublesome cough there is nothing better than Chamberlain's Cough Remedy. It strengthens the pulmonary organs, allays any irritation and effectually cures the cough. It is especially valuable for the cough which so often follows an attack of the grip. For sale by Dr. J. Hinkle, Central Point, and G. H. Haskins, Medford.

Hon. J. E. Thompson and daughter of Eureka, Cal., last week visited the families of D. H. Mills and others at Ashland, having come over from Sisson, where the N. C. editorial excursion ended its jaunt. Mr. T. is the editor of the daily and weekly Standard of Humboldt county, one of the leading Democratic papers of that part of the state.

A large number of persons, both male and female, have been at Jacksonville during the past fortnight for the purpose of getting warrants for the premiums they were awarded at the late district fair. Of course, all were righteously indignant when they discovered that they had either to go in person or send to Grant's Pass for their money.

The estimable wife of H. T. Severance of Little Butte precinct died at the family residence a few days since, at a ripe old age. She was the mother of the Nichols brothers of Butte creek and Mrs. F. M. Plymale of Medford. One of the worthy pioneer women of southern Oregon, she leaves a large relationship as well as many friends to mourn her loss.

The practice of topping corn, to secure the fodder in prime condition and to throw the strength of the stalk into the ear, is becoming general in the lower valley. The crop is fair everywhere and is meeting with ready sale at the Medford distillery at 50 cents per bushel of 80 pounds in the ear, green after husking, or 70 pounds after drying out.

"We know from experience in the use of Chamberlain's Cough Remedy that it will prevent croup," say Messrs. Gadberry & Worley, Perea, Iowa. They also add that the Remedy has given great satisfaction in that vicinity, and that they believe it to be the best in the market for throat and lung diseases. For sale by Dr. J. Hinkle, Central Point, and G. H. Haskins, Medford.

One of the most enjoyable parties that has ever been given in the southern portion of the county took place at the fine, new residence of John Devlin last Friday night. Besides the neighbors, there was a good-sized delegation of young folks from Jacksonville and vicinity. Excellent music was furnished by George Owings and W. R. Cook, while a substantial lunch was set at 12 o'clock that was duly appreciated. It was almost daylight when the dancers dispersed, all being of the opinion that a most pleasant time had been had.

Robt. J. Nixon, eldest son of Bro. Nixon of the Yreka Journal, was united in matrimony at Trinity church in San Francisco to Miss Lilian Hill of the same city, October 7th, Bishop Wingfield officiating. The editor of the TIMES helped to raise Robby by hand, and knows him to be an industrious, intelligent and worthy young man, while his bride is one of Siskiyou county's most amiable and accomplished belles. We tender our heartiest congratulations and trust that their journey through life will be one of unbounded prosperity and wedded bliss.

There is little doubt but that many persons suffer for years with ailments that could easily be cured by the use of some simple remedy. The following incident is an illustration of this fact: My wife was troubled with a pain in her side the greater part of the time for three years, until cured by Chamberlain's Pain Balm. It has, I think, permanently cured her. We also have used Chamberlain's Cough Remedy whenever needed and believe it to be the best in the world. T. M. Boston, Frineville, Sullivan Co., Missouri. For sale by G. H. Haskins, Medford, and Dr. J. Hinkle, Central Point.

The Willamette valley papers are singularly mistaken in regard to the death of J. W. Hamilton, familiarly known as Jap Worley, at Central Point recently, alleging that he was a night operator for the S. P. company and that the railroad commission had his case under consideration, charges of carelessness having been made against the company's employes. The truth of the matter is that Hamilton was a resident of the Butte creek section and was solely responsible himself for his unfortunate end, the engineer having used all known means to stop the train.

REAL ESTATE TRANSFERS.

The following deeds have been recorded in the office of the county recorder since the last report of the TIMES:

Social Party.

A social party will be given in Jones & Otten's hall at Bolt, Foots creek precinct, on Friday, Oct. 23, 1891. An enjoyable time is assured and a general invitation extended.

The World Enriched.

The facilities of the present day for the production of everything that will conduce to the material welfare and comfort of mankind are almost unlimited, and when Syrup of Figs was first produced the world was enriched with the only remedy which is truly pleasing and refreshing to the taste and prompt and effectual to cleanse the system gently in the spring time or, in fact, at any time and the better it is known the more popular it becomes.

Mules Strayed.

From Lakeview, on Sept. 2d, 1891, a pair of mules weighing about 1000 lbs. each, one stout and black, the other slender and nearly black, also lame in fore-leg and hair worn off rump by switching the tail. Both were roached, with tails shaved, had collar-marks and were shod when they left. We came from Grant's Pass via Central Point, Ft. Klamath and Bly, to Lakeview. The finder, or anybody giving reliable information, will be suitably rewarded.

E. W. Hammon, now a resident of Solano county, Cal., has been in the valley during the past week, and will remove his family to the golden state when he returns. He is in charge of a thousand-acre orchard which is being planted there.

Hon. E. DePeatt of Umatilla county, formerly a prominent citizen of this section, paid Jacksonville a short visit the forepart of the week, returning home with his wife and daughter soon afterwards. We are glad to learn that the Judge is building up an extensive legal practice in his new home.

Mrs. Judge Burnett of Corvallis, accompanied by Miss Keesee of Benton county, passed through the valley last Sunday, on their way to Klamath county. They were called thither by the illness of Mrs. Burnett's daughter, but did not arrive until after the death of the lady.

John R. Lewis, who has been in the employ of the Ross estate for quite a while, left for Umatilla county on Sunday, to visit David Brewster. He may continue his trip to his old home in Missouri. Johnny is an industrious, honorable young man, and the best wishes of his many friends will follow him wherever he may go.

W. J. Plymale, secretary of the S. O. S. B. of A., was at Roseburg one day last week, and has nearly all of the bills against the association audited, so that they could be paid without delay. This is a big improvement over the way matters were conducted last year, when some people waited a long time for what they were entitled to.

Commercial School.

Everybody who starts out in life should have at least a first-class business education. This is what Rigby & Hart, late of Santa Rosa, Cal., will give all who attend the commercial school which they will open at Medford on November 2d. The school will be in session both day and evening, and the following branches will be thoroughly taught: Bookkeeping in all of its departments, banking, mathematics, commercial law, commercial grammar, political economy, civil engineering, plain and ornamental penmanship, card writing, blackboard writing, pen engrossing, painting in oil and water colors, portrait in oil and water colors, crayon, pencil and ink, painting and drawing in every department. Architecture, planning, designing, letter writing, and every branch generally taught in a first-class business college. They will make this a first-class school for both gentlemen and ladies. As they come well recommended from their former home in California, the public may rest assured that they will do as they agree to.

Are You Suffering

From backache, inflammation of the bladder brick-dust deposit or stone in the bladder or in fact any derangement of the kidneys or urinary organs? If thus afflicted do not lose time and waste money on worthless liniments and worse plasters, but strike at the seat of the disease at once by using the greatest of all known remedies, that celebrated Oregon Kidney Tea. Pleasant to take, purely vegetable. Satisfaction every time.

Better Than a Gold Mine.

Ten acres set to fruit when in a bearing condition will yield an income of from $3000 to $4500 per year and requires no expensive machinery to operate it. A fruit-raiser in the Willamette valley requires but a small outlay, has all the advantages of a civilized and cultured society, has good and convenient markets and receives a better income from the same investment than can be had from any other line of business. You can get this land from $55 to $75 per acre of The Oregon Land Company of Salem, Oregon.

Corn Wanted.

The Medford Distilling and Refining Co. are ready to buy corn, and will pay 50 cents per bushel for all the corn in this valley.

The Secret of Fine Pastry.

Is wholly in using Dr. Price's Cream Baking Powder. The only pure Cream Tartar Powder sold on the market. Other brands contain either ammonia, alum or some other adulterant. Ammonia or alum powders dry out, make the dough too porous, leaving a bitter taste, etc.

No agency has assisted so much toward perfection in cookery as Price's Cream Baking Powder. Its ingredients are simple and so blended as to exist in exact chemical proportions, so after use there is never any excess of either left in the food. Hence there can be no impurities whatever left in the finished food. No bitter taste, no taint of ammonia, but food raised with Dr. Price's Cream Baking Powder partakes of the natural sweet flavor of the flour and keeps moist and fresh for days. This powder possesses qualities peculiar to it alone. No other makes such delicious pastry. No other contains the white of eggs.

OBITUARY.

BEEKMAN—After a long and painful illness, Mrs. Lydia Compton Beekman, widow of Benjamin B. Beekman, passed away on Friday, October 2d. Her death was calm and peaceful. Mrs. Beekman was born in New Jersey, March 30th, 1806, and was 85 years, 6 months and 2 days old. In 1827 she married Mr. Beekman and moved to the town of Starkey in 1830. For 60 years or over she has been a member of the Presbyterian church of this village, and down to her death she manifested a lively interest in its welfare. Her bible, her constant friend and companion for more than thirty years, was used at the funeral for the reading of scriptural selections. The text was chosen by one of the family, Isaiah 64: 6, "And we all do fade as a leaf," and a sermon in which the beauty and glory of a Christian life was epitomized, was preached by her pastor, Rev. Stanley B. Roberts. It was exceedingly fit and proper that as the shadows lengthened on that beautiful October day that she should be laid to rest among the falling leaves on the hillside to await the resurrection of the past. A large number of her friends filled all the available portion of the church to show their respect for the honored dead. Mr. Andrew Harpending and Mrs. Elizabeth Doty, own cousins of Mrs. Beekman, were at the funeral. Many welcomed her coming to this place over 60 years ago. Seven children, two of whom died in infancy or early youth, were born to Mrs. Beekman: Cornelius C. Beekman, of Jacksonville, Oregon; Abraham and John Beekman, of Bath, N. Y.; T. Dewitt Beekman and Mrs. Lydia Seeley, of Dundee, all of whom were present at the funeral. Thus we are called to chronicle the death of one who has long been identified with the history of the church and the village, and while we sincerely mourn her loss we rejoice that she lived among us as an illustration of the Christian faith.—[Dundee (N. Y.) Observer.

To Whom it Concerns.

Ordinance No. 107.

An ordinance granting to the Western Union Telegraph Company the right to place and maintain its poles and lines in the streets, alleys and public ways of the town of Jacksonville, state of Oregon, on the terms and conditions herein stated.

SECTION 1. Be it ordained by the Board of Trustees of the town of Jacksonville, state of Oregon, that the Western Union Telegraph Company, its successors and assigns, are authorized to erect and maintain on the streets, alleys and public ways of said town of the poles and fixtures and wires necessary for the purpose of supplying the citizens of said town and the public communication by telegraph or other improved electrical device, such use to be and continue upon the terms and conditions hereinafter stated.

SEC. 2. The location of the poles and lines now in use is hereby approved; and the location of all poles and lines hereafter to be erected, and any change in the location of the poles and lines now in use, or extensions thereof, shall be under the direction and control of the Board of Trustees of said town.

SEC. 3. Said poles and wires shall be placed and maintained so as not to interfere with travel on said highways, and said company shall hold said town free and harmless from all damages arising by reason of any abuse of said occupancy. This grant is made, and is to be enjoyed, subject to such reasonable regulations and ordinances of a police nature as said Board of Trustees of said town is authorized and sees proper at any time to adopt, not destructive to the rights herein granted.

SEC. 4. The right of use herein given shall not be exclusive, and the Board of Trustees of said town reserves the power to grant a like right of way to any other telegraph company, the same, however, not to interfere with the reasonable and proper exercise of the privileges herein granted.

SEC. 5. In consideration whereof the Western Union Telegraph Company shall, and by the acceptance of this ordinance does, agree to allow the Board of Trustees of said town to attach at any time to the top cross-arm of any of said poles, where practicable, the town fire alarm and police wires, and said poles are hereby made a municipal instrumentality for that purpose; provided, however, said attachment shall be so made as not to interfere with said company's use, and said attachment shall be made and maintained under the direction of said company's manager in said town of Jacksonville. The said company shall and will furnish for the said town the use of its poles for the attachment thereto of its fire-alarm boxes, without charge to said town.

SEC. 6. This ordinance shall take effect on and after its passage and the filing by said company of unconditional acceptance thereof in the office of the town clerk of said town of Jacksonville.

SEC. 7. That whenever said company ceases to operate a telegraph line in said town of Jacksonville and ceases to use the said poles and lines herein provided for, in the operation of its line of telegraph, then said company shall remove said lines and poles from the streets and alleys of said town within sixty days from date that said company so ceases to use and operate said lines.

SEC. 8. All ordinances and parts of ordinances, orders and resolutions upon the subject of telegraph poles, wires, etc., of previous date, in so far as the same relates to the Western Union Telegraph Company, are hereby repealed and annulled.

This ordinance was passed by the board of trustees of the town of Jacksonville by the following vote as their names were called at a regular session held on October 6, A. D. 1891: A. L. Reuter, yes; David Linn, yes; K. Kubli, yes; Max Muller, yes; Chas. Nickell, yes.

State of Oregon, County of Jackson. } Town of Jacksonville.

I, Silas J. Day, recorder of the town of Jacksonville, county of Jackson, State of Oregon, a corporation under the laws of the state of Oregon, do hereby certify that the foregoing transcript of Ordinance No. 107, of the town of Jacksonville, Oregon, has been by me carefully compared to and with the original ordinance now on file in my office, and I find it a true and correct copy of the same and of the whole thereof; and the same is recorded in volume 2, at pages 397 and 398 of the records of said town. In testimony whereof I have hereunto set my hand and affixed the seal of said town of Jacksonville, this 7th day of October, A. D. 1891.

SILAS J. DAY, Recorder of the Town of Jacksonville, Jackson county, Oregon.
