A GOOD CLOD CRUSHER.

Fighting Chinch Bugs.

From the Kansas station we have had reports of the experients of Professor Snow of Kansas in killing chinch bugs by scattering diseased bugs about the fields. The same thing was tried in bugs were secured and placed in breeding cages. The next step was to obtain a supply of dead bugs that had been killed by a disease bearing the name of Sporotrichum globuliferum. This disease was spread among the healthy ming bird's nest. Such a tiny affair! It bugs, and the latter were sent all over the state to spread the disease in the lead pencil on one of the lower limbs of

The infected bugs come from a stathe infected bugs, alive or dead. He covered with green lichens, and all held another season. This, in brief, is the latest method of fighting the chinch bug on large farms. Last season the station distributed the bugs to 164 different farmers. Out of 91 who gave the matter anything of a trial, 61 reported

TERMS OF SALE.

GEO. R. NEIL, Attorney

In the matter of the ass'gnment o B. R. Kingsbury, insolven debtor. R. Kingsbury, insolvent debtor.

NOTICE 18 HEREBY GIVEN THAT ON June 26, 1894, the above-named insolvent debtor, heretofore doing business in Uniontown precinct, Jackson county, Oregon, made a general assignment to me, the undersigned, for the benefit of his creditors, under and by virtue of the act of the legislative assembly of the state of Oregon, entitled "An act to secure to creditors a just division of the estates debtors, who convey to assignees for the method of the control of the creditors of said insolvent debtor are hereby notified to present their claims, under oath, to my attorneys in Jackson ville, Jackson county,

a fox in the district. Seals are also berived home from Bremen with his solarometer, which was tested on the voyage and which he exhibited in Germany and France. Lieutenant Beehler and the officers of the Weimar, the steamship on which he sailed, took 189 observations of the sun and stars at all hours of the day and night, and the latitude, longitude and compass errors were ascertained by the solarometer with accuracy. The French, English and German astronomers universally indorsed it. Zella Nicolaus, who attempted to blackmail George Gould and who created great scandals in many places, has
