Coming to turqueise, those of green beauty are becoming rarer and rarer. If a turquoise be of any particular value, it must hail from the old mines, be very close and beautifully polished. When a turquoise is worn, so we are told by experts, by sickly persons, or by ladies with a bad complexion, the stone assumes a greenish dull color. Happy, therefore, are the wearers whose turquoises have a bright blue color, as such omen must enjoy excellent health and have a fine complexion.
