"Turn the rascals out"—the familiar party cry—may be applied to microbes as well as to men. The germs of disease that lurk in the blood are "turned out" by Ayer's Sarsaparilla as effectually as the old postmasters are displaced by a new administration.

Notwithstanding the discouragement from the low price of grain, the farmers throughout the county are busily engaged preparing the land and seeding with the foreboding that under the new tariff law the outlook for better times is becoming brighter.

Many people, when a little constipated, make the mistake of using saline or other drastic purgatives. All that is needed is a mild dose of Ayer's Pills to restore the regular movement of the bowels, and nature will do the rest. They keep the system in perfect order.

Chas. H. Hill, formerly of Ashland, and now foreman of the work of building the government dry-dock at Everett, Wash., had his right foot so badly crushed a short time since, by the falling of a heavy block from a derrick upon it, that it had to be amputated at the ankle.

The S. F. Weekly Examiner has been enlarged to 16 pages, which makes it one of the very best newspapers published, and you can secure it and the SEMI-WEEKLY TIMES for only \$3 a year and get all the advantages of the big annual distribution of prizes valued at \$145,000.

Henry Wilson, the postmaster at Weistown, Florida, says he cured a case of diarrhoea of long standing in six hours with one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It can always be depended upon. When reduced with water it is pleasant to take. For sale by all druggists.

Last week a sprucey dressed young man presented himself at the residence of Wm. Harper of Woodville and represented that he was in church work and connected with the M. E. missionary department. It Tom Reed did not hail from Maine we would expect to see him the candidate of the Republicans for president in 1896. He is the brainiest man from a national standpoint in that party. Harrison, McKinley and the other presidential aspirants are pignions compared to Car Reed.

For a pain in the side or chest there is nothing so good as a piece of flannel dampened with Chamberlain's Pain Balm and bound over the seat of pain. It affords prompt and permanent relief, and if used in time will often prevent a cold from resulting in pneumonia. This same treatment is a sure cure for lame back. For sale by all druggists.

Lee Fairchild, the humorist, who accompanied M. M. Estes, Republican candidate for governor, in his tour of California, is well known in the northwest. Those who read his nonsense in the distant West Store will easily understand Estes' defeat. Late returns from Brooklyn make it reasonably certain that the "Greater New York" measure received a small favorable majority. Contrary to what many suppose, the voting does not settle the question. It was simply submitted to a vote as a guide to the legislature.

Death will not end us. Christ proved his power over death by going through the grave and back again. As we stand by the graves of dear ones, we have a right to say, believing in the midst of our afflictions, Oh, death, where is thy sting? Oh, grave, where is thy victory? The sting of death is sin. The only thing that gives us power over us is sin. In the case of the Christian, sin is pardoned, and the sting of death is withdrawn. Death is a good man is only a gate that opens into a higher life and a better state of being through Christ. He has freed the heart from death's hand and it has now no power over him. Over death he is a conqueror, and to him it is the grandest triumph, for it is all gain. At death the Christian, sin is pardoned, and the sting of death is withdrawn.
