DON'T BE DUPED

There have been placed upon the market several cheap reprints of an obsolete edition of "Webster's Dictionary." They are being offered under various names at a low price.

By

dealers, agents, etc., and in a few instances as a premium for subscriptions to papers.

Announcements of these comparatively worthless

reprints are very misleading. They are advertised to be the substantial equivalent of a higher-priced book, while they are all

reprint dictionaries, phototype copies of a book of over fifty years ago, which was sold for about \$5.00, and which was much superior to these imitations, being a work of some merit instead of one

Long Since Obsolete.

The Webster's Unabridged Dictionary published by our house is the only meritorious one of that name. It bears our imprint on the title-page and is protected by copyright from cheap imitation. As a dictionary lasts a lifetime will it not be better to purchase the LATEST AND BEST,

Webster's International Dictionary of ENGLISH, Biography, Geography, Fiction, etc.

Size 10x12 3/4x4 1/4 inches.

This Book is the Best for Everybody. STANDARD AUTHORITY of the U. S. Supreme Court, all the State Supreme Courts, the U. S. Government Printing Office and of nearly all the Schoolbooks. WARMLY COMMENDED by College Presidents, State Superintendents of Schools and many other eminent authorities.

BRIEF MENTION.

Bananas, oranges and lemons can always be found at Wetterer's.

The best brands of cigars, tobacco, etc., can always be found at Joe Wetterer's.

A full assortment of May's celebrated seeds—fresh and pure—is being displayed by Joe Wetterer.

The longer Admiral Schley doesn't say a word, and the more Admiral Sampson talks and writes, the greater the conviction grows that Schley is the real hero.

Deeds, mortgages, leases, bonds, bills of sale and every imaginable kind of legal blanks—the latest and best—are constantly on hand at THE TIMES OFFICE.

The cost of the Boer war, before it is over, will be at least a billion dollars. It will take a large rake-off from the Transvaal gold mines a long time to pay that sum.

A large quantity of newspapers, suitable for wrapping, pasting on walls, putting under carpets, etc. can be obtained cheap in quantities to suit, at THE TIMES PRINTING HOUSE.

The U. S. supreme court has decided against the Chicago drainage canal, sustaining the contention that its use pollutes the drinking water of St. Louis, by the canal water flowing into the Mississippi river.

The celebrated Snap Shot, the best medicine in the world for allaying inflammation in man or beast, can be found at Dr. Robinson's drug store, also at Dr. Hinkle's, Central Point. Try it.

The government has more trouble in sight. Editor Rice, a youth 19 years old, whom Gen. MacArthur reported for criticizing officers at Manila, is to make a heavy claim for damages against Uncle Sam.

Discussion of probable presidential candidates for 1904 is now premature; but it is certain that they will be new men on both sides. Mr. McKinley cannot reasonably expect a third term, nor Mr. Bryan a third nomination.

The late legislature passed a law making it a criminal offense to tap water mains or electric light wires and appropriate the elements conveyed thereby without consent of the owner. Light and water are now property, at least manufactured or transmitted kind thereof.

The stomach controls the situation. Those who are hearty and strong are those who can digest plenty of food. Kodol Dyspepsia Cure digests what you eat, and allows you to eat all the good food you want. If you suffer from indigestion, heartburn, belching, or any other stomach trouble, this preparation can't help but do you good. The most sensitive stomachs can take it. City Drug Store, Jacksonville, and Dr. J. Hinkle, Central Point.

Assemblyman Brown has introduced a bill in the California legislature similar to the measure passed by the Oregon legislature, which requires the governor to issue a proclamation thirty days before the general election in 1902, desiring the electors to express their preference for United States Senator. The bill provides in detail for a place upon the ballot for the expression of such preference, and for the tabulation of the returns and the preparation by the secretary of state of an abstract of the returns. The author contemplates the nomination, in case the bill becomes a law, of candidates for United States Senator by state conventions. Such nomination and subsequent expression of public opinion at the polls, would act, it is believed, as a moral obligation upon the legislature and would prevent deadlocks in which the will of the people is ignored.

Tears

Many a woman has periodic crying spells. She meets her husband with eyes red and swollen and he cries out: "What has happened?" "Nothing," his wife replies. "I don't know what is the matter with me, but I just had to have a good cry." Men don't have crying spells. It would seem therefore that an affection confined to women must have its cause in the womanly nature. There is no doubt that a diseased condition of the delicate womanly organs, is in general responsible for feminine nervousness and hysteria.

The use of Dr. Pierce's Favorite Prescription makes women happy by making them healthy. There are no more crying spells. "Favorite Prescription" cures inflammation, ulceration and female weakness. It makes weak women strong, sick women well.

Accept no substitute.

"For three years," writes Mrs. Mary A. Sasser, of High, Lamar Co., Texas, "I suffered with falling of the womb, also ulceration of the womb. After using three bottles of your 'Favorite Prescription,' four of 'Golden Medical Discovery' and two vials of 'Pleasant Pellets,' I found relief. I am able to do my work with ease. I recommend your wonderful medicine to all my friends, for I truly believe it saved my life."

Free. Dr. Pierce's Medical Adviser, in paper covers, is sent free on receipt of 21 one-cent stamps to pay cost of mailing only. Cloth binding 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

AN EXPOSITION BOOKLET.

ANOTHER BEAUTIFUL PRODUCTION FROM THE BUREAU OF PUBLICATION OF THE PAN-AMERICAN EXPOSITION AT BUFFALO.

Here comes another of the beautiful booklets from the bureau of publicity of the Pan-American Exposition, Buffalo, N. Y. It consists of 16 pages and a cover in light green. The unique feature of it is the miniature reproduction of the famous poster, "The Spirit of Niagara," which has had a most remarkable demand. The envelope in which the poster booklet is mailed also bears a reproduction of this artistic work. The booklet is a popular picture book, the first page having an engraving of the magnificent electric tower, which is 321 feet high, and which will form the glorious centerpiece of the great exposition. On the same page is a miniature of one of the torch bearers which will adorn the wings of the electric tower, and beside it a picture of Niagara Falls. The second page shows a picture of the Electricity Building and a miniature picture of the use of electricity. The third page shows the splendid group of buildings erected by the national government, and which will contain the government exhibits, also five miniature illustrations, one of them showing the life-saving station, where exhibitions will be given daily by a picked crew of ten men during the exposition. The fourth page is devoted to the wonderful displays of government ordnance: the fifth to the machinery and Transportation Building and four other illustrations of modern machines and vehicles. The center of the booklet shows a birdseye view of the exposition, and gives one some idea of the great extent of the enterprise upon which about \$10,000,000 is being expended. The grounds contain 350 acres, being half a mile wide and a mile and a quarter long. Other pages show horticulture, graphic arts and mines, manufactures and liberal arts, the Music Temple, the Plaza and its beautiful surroundings, the Stadium or athletic field, the agricultural, live stock and ethnology features, and a few of the 30 or 40 ingenious and novel exhibits which promise to make the Midway the most wonderful that has ever been prepared for exposition visitors. The last page shows a ground plan of the exposition, wherein the location of the different buildings is indicated. The railroads will make low rates from all parts of the country during the exposition, which opens May 1st and continues six months; and the people of Buffalo are preparing to entertain comfortably the millions who will attend. Anyone desiring a copy of this booklet may have it by addressing the Pan-American Bureau of Publicity.

All the Year Round.

POPULARITY GAUGED BY NO PARTICULAR SEASON.

The fact is now established that the most successful railway route, whether you take it in the spring, summer, autumn or winter, is the Rio Grande Western Railway, the only transcontinental line passing directly through Salt Lake City, that quaint and picturesque city on the shores of America's Dead Sea. The climate of Utah and Colorado is temperate the year round, which makes traveling over the Rio Grande Western Railway, in connection with either the Denver & Rio Grande or Colorado Midland railroads, an unbounded success and delight. The dining car service is unparalleled. The road operates only the newest Pullman Palace and ordinary sleeping car equipments, as well as free reclining chair cars. For illustrated matter apply or write to J. D. Mansfield, 253 Washington St., Portland, or Geo. W. Heinz, acting general passenger agent Salt Lake City.

It was recommended to me by a druggist as the best cough medicine for children, as it contained no opium or other harmful drug." Sold by the City Drug Store.

It's Easy To Take

Thin, pale, anæmic girls need a fatty food to enrich their blood, give color to their cheeks and restore their health and strength. It is safe to say that they nearly all reject fat with their food.

SCOTT'S EMULSION OF COD LIVER OIL WITH HYPOPHOSPHITES OF LIME & SODA

is exactly what they require; it not only gives them the important element (cod-liver oil) in a palatable and easily digested form, but also the hypophosphites which are so valuable in nervous disorders that usually accompany anæmia. SCOTT'S EMULSION is a fatty food that is more easily digested than any other form of fat. A certain amount of flesh is necessary for health. You can get it in this way.

We have known persons to gain a pound a day while taking it.

See and get it at all druggists.
