Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes. The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble. If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. Name of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Women Are Like Flowers.

Poets have been fond of likening woman to a flower. Her fairness is flowerlike. Her sweetness suggests the flower fragrance. Her very fragility finds its type again in the frail flower, which languishes when neglected, and is so easily destroyed. It is a pretty simile and almost as perfect as pretty.

All women love flowers, and every woman who grows them knows that their health depends on daily care. Not alone are water and sunshine necessary to the health of the plant. Their leaves and roots must be guarded from the parasites which soon destroy the flower's beauty and undermine its life.

If a woman would care for herself as she does for her plants she would preserve her beauty and retain her strength far beyond the period when the average woman looks old and feels older than she looks.

THE GREAT SECRET

Of woman's preservation of her beauty lies in the intelligent care of the womanly health. So close is the relation between the health of the delicate womanly organs and the health of the whole body, that whenever the feminine functions are deranged or disturbed the consequences are felt by every nerve in the body. Severe headache, backache, pain in the side, and bearing-down pains are borne with by so many thousands of women that one who is in sound health is a rare exception. Most women would give anything to know how to be cured. The way is very plain. Follow the path made by more than a half a million women who have been perfectly cured of nervousness, female weakness and rheumatism, and I suffered everything one could suffer from these complaints. Life was a burden. I doctored with three different physicians and got no relief. I tried several patent medicines, all with the same result. I began to get worse, and to add to the complications I suffered terribly from constipation. I chanced to see one of your advertisements and concluded to try the above remedies. I commenced to take Dr. Pierce's Favorite Prescription and Pleasant Pellets and began to improve right away, and continued improving and gaining in strength. It was a relief to me to find that I was not alone in my trouble. I feel that I would never be able to endure my former weakness and rheumatism, and I suffered everything one could suffer from these complaints. Life was a burden.
