No Right to Ugliness.

The woman who is lovely in face, form and temper will always have friends; but one who would be attractive must keep her health. If she is weak, sickly and all run down, she will be nervous and irritable. If she has constipation and kidney trouble, her impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate the stomach, liver and kidneys and to purify the blood. It gives strong nerves, bright eyes, smooth, velvety skin, rich complexion. It will make a good-looking, charming woman out of a rundown invalid. Only 50 cents at City Drug Store.

FIGPRUNE CEREAL.

A New Method of Using Fruit

is to prepare it in such a manner that it still retains all of its natural properties and then combine it with selected grains, thereby producing a perfect breakfast beverage. This is the way Figprune Cereal, the substitute for coffee and tea, is made. Your grocer sells it. Ask for sample.

Why Some Children are Restless

and nervous even their own mothers are unable to tell. Possibly they have been given coffee or tea to drink. Figprune Cereal, made from choice California fruits and selected grains, is a beneficial substitute. Figprune will feed the nerve centers. It will make the child strong and healthy. Made like coffee. Looks like coffee. But—it's 54 per cent fruit and 46 per cent grain.

If you don't feel just right substitute Figprune Cereal for coffee. It's the perfect food beverage. At grocers.
