EVIDENCES of the great prosperity is overwhelming the country, continues guaranteed. to multiply. One of the last has been recorded at Fall River, Mass., where Oregon Press Association headquarthe Chase, Roberts, Merchants, American Linen and Metcomet cotton mills, operating 350,000 spindles, were stopped March 20th, in pursuance of the agreement to curtail production. It Risers most popular little pills where-is probable that this week the major-

nings Bryan-he was forty-one March distinction he enjoys. The man who appealed to his congressman for a has held unquestionable leadership of entitled to one as many healthy, proshis party during two presidential perous old boys who are drawing pencampaigns cannot be charged with sions. lack of either ability or patriotism. In the last contest with the distinguished citizen who occupies the presidential chair for the second time, William McKinley, Mr. Bryan received nearly forty-six per cent. of the total vote cast—6,358,789 against 7,- Eugene 208,244 cast for McKinley.

cent oratorical contest between representatives of the different Oregon colleges, hits the nail on the head when it says that "perhaps the motive for accusing young Minchin of plagiarism was created by failure of other aspirants to win the prize." It is also Liver Tablets will correct these disnoticeable that newspapers printed at the homes of the defeated institutions of learning are those which find most fault with Minchin's success. It is quite natural that one who had no falo Exposition. This will make a personal acquaintance with the subpersonal acquaintance with the subject of his oration should absorb more or less of the ideas of those who were or had written biographies of him.

BINGER HERMANN, commissioner of the general land office, has reversed himself, a feat he finds not difficult to accomplish. The settlers of Warner yalley, Lake county, are the ones his opinion, something that is not uncomplimentary to our friend with the an independent line and a feeder, will exhilarating, pump-handle handshake. prove an important factor to the The Warner Valley Stock Co., of which land, upon much of which settlers had located, on a plea that it was swampy in character, and got a favorable decision from Mr. Hermann. There was such a storm of indignation raised over the matter that Binger, who lever was noted for the matter. The transport Kintuck, sailing for the manner in Col. C. A. Cogswell is a leading spirit, esought to gobble up a large quantity of who lever was noted for the stiffness | Portland in a few days, has been or-of his vertebra, recanted, with the reof his vertebra, recanted, with the result stated. The company has appealed to the secretary of interior.

SENATOR LODGE of Massachusetts agrees with Senator Morgan of Ala. Vermont in relation to the status of the Clayton-Bulwer treaty, if we are to Hay-Pauncetote treaty. They ridicule the idea that the American people can be expected to permit a treaty 50 years old to be used eternally for the purpose of preventing our development, of interfering with our national defense, of stifling our commercial conditions on which it was based having long ago ceased to exist. We may well quote Prince Bi-marck's famous effect to the Ni aragua canal.

W. J. BRYAN has taken direct and pointed exception to the late utterances of Grover Cleveland. The sentiments, along the line of party re-crganization, expressed by the ex-president in a recent letter to a Baltimore Democratic club, furnished the inspiration for criticism on the part of road for the carrying of passengers the editor of The Commoner. Mr. and freight, and outlines plans for Bryan discusses the matter in his the putting in of branch lines to adpaper, under the caption of "Six Dollars Reward." After characterizing the advice of the sage of Princeton as indefinite and useless, and satirizing formia for want of cars to transport the latter's utterances concerning the them across the continent, and fruit, "rank and file," Bryan editorially offers a reward of \$6 to Cleveland for a plain statement embodying his in the southland; but, instead of the personal views of Democratic princi- growers making money, thousands of ples as applied to six leading questions dollars have been lost and millions now before the country. Concluding, are in jeopardy. Notwithstanding the assurances of Presidents Hays and Editor Bryan says of Mr. Cleveland: Ripley that there would be no dearth "Assuming to be inspired by a purer Democracy and boasting of a superior portation. virtue, he began to offer unsolicited advice to the party to which he once belonged. It he will clearly and candidly define the Democratic principles about which he is so prone to talk, the people will decide for them-selves whether he is the same Mi.
