the woman who hesitates is won.  
The best brands of cigars, tobacco,  
etc., can always be found at Joe  
Wetterer's.  
Fifty-eight bills to incorporate  
towns and cities were passed by the  
last legislature.  
The greater part of the wheat  
grown in China is winter wheat,  
planted in the fall, in small lots of a  
fraction of an acre.  
Deeds, mortgages, leases, bonds,  
bills of sale and every imaginable  
kind of legal blanks—the latest and  
best—are constantly on hand at THE  
TIMES office.

Here is a bit of news from a con-  
temporary that is quite apropos:  
"Roosevelt appeared in a decent suit  
of apparel at the inaugural, March 4th,  
and acted the gentleman."  
Robt. B. Whiteside, the Minnesota  
lumberman who owns the Calaveras  
grove of big trees in California, says  
he has fixed the price of the grove at  
\$500,000. It cost him \$125,000.

The heaviest registration of women  
on record in Kansas has been recorded  
for the elections to occur soon in  
towns of the second and third class.  
At most places the issue is "wet" or  
"dry."

Within the past few days nearly 2000  
colonists have left St. Paul for Pacific  
coast points. The last crowd pulled  
out from that city Wednesday. There  
were 700 of them, occupying a train of  
24 cars.

The celebrated Snap Shot, the best  
medicine in the world for allaying in-  
flammation in man or beast, can be  
found at Dr. Robinson's drug  
store, also at Dr. Hinkle's, Central  
Point. Try it.

plates building an enormous raft of  
10,000,000 feet of logs, which will be  
towed across the Pacific to Oriental points.  
Over 1000 tons of chains will be used  
to lash the logs together.

Indicative of what the California  
oil production means to the mining  
and manufacturing interests of the  
Pacific coast is the action of some of  
the largest fuel consumers in Arizona,  
who are arranging to substitute oil  
for coal.

In Swedish mines the workmen  
have their tools sharpened by a special  
blacksmith, paid not by the number  
of tools sharpened, but by the number  
of yards-bored by the miners whose  
implements he has sharpened during  
the month.

"I have been troubled with indigestion  
for ten years, have tried many  
things and spent much money to no  
purpose until I tried Kodol Dyspepsia  
Cure. I have taken two bottles and  
gotten more relief from them than all  
other medicines taken. I feel more  
like a boy than I have felt in twenty  
years." Anderson Riggs of Sunny  
Lane, Tex. Thousands have testified  
as did Mr. Riggs. City Drug Store,  
Jacksonville, and Dr. J. Hinkle, Central  
Point.

Andrew Carnegie, who said some  
time ago that it was a disgrace to  
a man to die rich, is putting his precept  
into practice by princely endowments  
of various deserving projects, and now  
proposes to can his former gifts by  
giving \$25,000,000 for the erection and  
maintenance of a technical school at  
Pittsburg. It is the miners who al-  
ways do big things; and when a master  
miner like Carnegie starts a scheme  
of that kind, he has the brains and  
money to make it a success.

### SUNNY WOMEN.

Who has not known the woman whose  
disposition is described by that one word  
"sunny"? There's always a laugh lurk-  
ing on her lips. Her cheeks are ever  
ready to dimple in smiles. Her house-  
hold influence is as brightening and  
stimulating as the sunshine. Nothing  
can be crueller than to have this sunshine  
blotted out by disease. But this is a  
common cruelty. The young wife who  
was the sunshine of the home becomes  
its shadow. Every young wife should  
know the value of Dr. Pierce's Favorite  
Prescription in the protection and pres-  
ervation of the health. It promotes  
regularity, dries the drains which enfee-  
ble body and mind, and cures inflamma-  
tion, ulceration and female weakness.  
It nourishes the nervous system and  
gives to the body the balance and buoy-  
ancy of perfect health. It is a strictly  
temperance medicine.

"I can say that your medicine cured me,"  
writes Mrs. Maud Pearce, of Stouffville, Pa.  
"I had suffered about twelve  
years from female weakness and I had almost  
given up, thinking there was no cure for me.  
I then heard about Dr. Pierce's medicine and  
thought I would try it, and can say that seven  
bottles of your 'Favorite Prescription' made me  
well. I am now able to do my own housework.  
I took about twelve bottles in all of Dr. Pierce's  
medicines. Took some of the 'Golden Medical  
Discovery.' 'Favorite Prescription' and some of  
the 'Pleasant Pellets.'  
Dr. Pierce's Pellets cure constipation.

### THE SPORTING WORLD.

In connection with the festivities at-  
tendant upon the second inauguration  
of President McKinley a mammoth in-  
tercollegiate indoor athletic meet has  
been arranged and will be an event of  
much importance. Many collegians are  
considering plans for attending the in-  
auguration to participate in the grand  
parade as organized bodies, and the en-  
tries of their leading athletic representa-  
tives in the games are assured.

The games will be the third annual  
indoor meet of the Georgetown Univer-  
sity Athletic association, which pro-  
moted with such notable success their  
two preceding indoor meets at which  
three new world's records were estab-  
lished.

The moving panorama, that was  
billed to show in Rostel's hall, failed

no attendance.

E. Walrad and his wife drove down  
from Ashland Saturday, to visit A. S.  
Jacobs and family. Mrs. W. will re-  
main for a week.

Lee Rodgenburger and his son are  
working in the mines in Willow  
Springs district, with rocker and pan,  
and making good wages.

Will Stidham has returned from the  
north. Since his return he came near  
losing the sight of one of his eyes by  
a piece of wood striking it.

John Clements, who was a resident  
of our town for several years, writes  
from Oroville, Calif., that his health is  
not good and that he expects to return  
to this valley.

Meritt Brown of Eagle Point  
drove into town with 200 dozen of  
eggs, and while standing in front of  
the hotel his team got frightened at  
a load of hay and ran away. The  
loss was 96 dozens of eggs, the hack  
and harness being damaged some.

### Rich Prizes For Three-year-olds.

The indications point to the coming  
season as certain to be sensational in  
one respect among the trotters if in no  
other, and that is in the number and  
high quality of the 3-year-olds which  
will be raced. There are at least five  
big stakes for 3-year-olds to be decided  
this year, and the colt or filly that can  
win either one of them will be a very  
profitable youngster to his or her breed-  
er. These five events are: The Ken-  
tucky Futurity, value \$10,000; the  
Louisville Prize, value \$10,000; the Du-  
buque Preparation, value \$5,000; the  
Kentucky Stock Farm, value \$5,000,  
and the Horse Review, value \$5,000.  
Here is a total of \$35,000 for 3-year-old  
trotters, and the youngster that can  
win first in two of the events will go  
into winter quarters one of the biggest  
money winning trotters of the season.

Nearly every section of the country is  
represented in the list of youngsters  
eligible to the big 3-year-old events.  
Out of the something like 500 that will  
be trained with a view of starting in  
one or more of the big stakes probably  
not more than 25 of the best will finally  
face the starter in all five. No trainer  
will name a youngster on date of  
naming the starters that is not capable  
of trotting around 2:15.  
Last season it took a mile in 2:10 1/2 to  
win one of the 3-year-old events, and in  
order to get any part of a purse trotted  
so fast a colt must be able to step right  
close to 2:15. With the great number  
of 3-year-olds that will be trained this  
year the chances are that one or two  
will be developed that will be even  
faster than was last year's crack of  
that age, and if such proves to be the  
case the 3-year-old division of trotters  
will furnish about as much sensational  
racing as any class that can be men-  
tioned.

## DON'T BE DUPED

There have been placed upon the market  
several cheap reprints of an obsolete edition  
of Webster's Dictionary. They are being  
offered under various names at a low price  
By  
dealers, agents, etc., and in a few instances  
as a premium for subscriptions to papers.  
Announcements of these comparatively  
worthless  
reprints are very misleading. They are ad-  
vertised to be the substantial equivalent of  
a higher-priced book, while they are all  
Reprint Dictionaries,  
phototype copies of a book of over fifty  
years ago, which was sold for about \$5.00, and  
which was much superior to these imitations,  
being a work of some merit instead of one  
Long Since Obsolete.

The Webster's Unabridged Dictionary pub-  
lished by our house is the only meritorious  
one of that name. It bears our imprint on  
the title-page and is protected by copyright  
from cheap imitation. As a dictionary lasts  
a lifetime will it not be better to purchase the
