## CACAGE D CORRECTOR DECEMBER OF CORRECTIONS OF CORRE All Men Desire Physical Strength

Weak, debilitated men, tacking vim. vigot and vitality, miss the joys of life. They fail in business enterprises for want of energy. Manual labor is impossible to them. They have "burnt the candle at both ends," and their indiscreet waste of energy begins to tell. It shows itself in the form of nervous debility, spinal disease, lame back, kidney troubles, paralysis and general prostration. In other cases rheumatic affections will result. But all these can be eared by
