THE election of Mr. Bryan would have been a deathblow to all unjust tell us what he didn't know about the combinations of capital against the interests of the common people, and none know that better than the unscrupulous capitalists who have the country by the throat; hence they op posed him tooth and nail.

HENRY W. MELDRUM of Oregon mitted suicide Friday. He had spent funds placed in his care in dissipation. Thompson, has been appointed surveyor-general of Oregon, vice R. A. Habersham, who is an appointee of the late Mr. Cleveland. His appointment was secured by Senator Mitchell, and is a first-classione, for Mr. Meldrum is a practical surveyor and well qualified for the position in every way.

TRUSTS continue to multiply under the beneficient influence of the Republican administration. The latest combination and a date agreed upon later.

Wm. Koeppe, watchmaker and jew-eler, is now located on California street, of posite the postoffice. Satis faction guaranteed.

The Boers are still fighting the British and raiding trains, which keeps Johnny Bull in trouble. They seem determined to fight to the bitter end.

The National Sporting Club of San Francisco has made a match for a finish contest between Jeffries and Ruhlin, The fight will take place on a date agreed upon later.

All Men Desire Physical Strength

Weak, debilitated men, acking vim. vigor and vitality, miss the joys of life. They fail in business enterprises for want of energy. Manual labor is impossible to them. They have "burnt the candle at both ends." and their indiscreet waste of energy begins to tell. It shows itself in the form of nervous debility, spinal disease, lame back, kidney troubles, paralysis and general prostration. In other cases rheumatic affections will result. But all these can be cured by
