The first Sunday of the Pan-American exposition's official existence brought out a good-sized crowd. "I have been suffering from Dyspepsia for twenty years, and have been unable after trying all preparations and physicians to get any relief. After taking one bottle of Kodol Dyspepsia Cure I found relief and am now in better health than I have been for twenty years. I cannot praise Kodol Dyspepsia Cure too highly." Thus writes Mrs. C. W. The Italian admiral, Count Canvaro, recently re-echoed the views of the Austro-Hungarian premier, Count Goluchowski, that sooner or later continental Europe will find it necessary to form a league against the United States. The admiral's bill of particulars includes our industrial competition in their own markets, the danger that we shall cut them out of new markets, and finally because the American policy in South America antagonizes the present hopes of certain European states, like Germany.

The President's tour is one continued ovation. Political rancor and hostile criticism that a year ago were rife have been stilled, and the President of the United States receives from all loyal citizens the honor and consideration that is due to his high office. The dignity of our free institutions, however sadly impeached during the heat and strife of a political campaign, emerges unscathed from the bustings. The president, whatever his name, is the nation's chief magistrate, and as such he commands the respect of the people, regardless of political differences, says the Oregonian.

## Scott's Emulsion

of Cod Liver Oil is the means of life, and enjoyment of life to thousands; men women and children.

When appetite fails, it restores it. When food is a burden, it lifts the burden. When you lose flesh, it brings the plumpness of health. When work is hard and duty is heavy, it makes life bright.

It is the thin edge of the wedge; the thick end is food. But what is the use of food, when you hate it, and can't digest it?

Scott's Emulsion of Cod Liver Oil is the food that makes you forget your stomach.

If you have not tried it, send for free sample. Its agreeable taste will surprise you.

## MISS MAUD KENYON.

Of 1533 Orange Street, Los Angeles, Cal., writes: "I had been afflicted with my eyes for over a year with such a dreadful itching and inflammation that I could not use them for anything. Physicians had given me many different remedies which were like using so much water; they measured my eyes for glasses, which I got and wore for some time, but they did not benefit me in the least. My mother desired me to write to Dr. R. V. Pierce and explain the condition of my eyes. I did so, and after following your advice, and using eight bottles of the 'Favorite Prescription' and eight of the 'Golden Medical Discovery,' can say my trouble is entirely cured. I would advise any one so afflicted to try these wonderful medicines. My health was never so good as it is now, and I shall never tire of praising Dr. Pierce's medicine."

Sick women are invited to consult Dr. Pierce by letter and secure a specialist's advice free of charge.
