If people only knew what we know about Kodol Dyspepsia Cure, it would be used in nearly every household, as there are few people who do not suffer from a feeling of fullness after eating, belching, flatulence, sour stomach or water-brash, caused by indigestion or dyspepsia. A preparation such as Kodol Dyspepsia Cure, which, with no aid from the stomach, will digest your food, certainly can't help but do you good. City Drug Store, Jacksonville, and Dr. J. Hinkle, Central Point.

On March 5, 1901, Judge Trout of San Francisco granted John M. Coleman a divorce from Mabel Coleman, and soon afterwards she went to Reno, Nev., and was married to E. N. Smith. By the decree the custody of the minor child was awarded to her, with the provision that the father should have it if she should marry again. Coleman sought to secure possession of his daughter, but Judge Trout dismissed the petition, on the ground that the Reno marriage was illegal, having been contracted within the period of prohibition fixed by the laws of California.

GRAIN-O is made of pure grains, and when properly prepared tastes like the choice grades of coffee but costs about 1/4 as much. All grocers sell it. 10c and 25c.

Blood.

We live by our blood, and on it. We thrive or starve, as our blood is rich or poor.

There is nothing else to live on or by.

When strength is full and spirits high, we are being refreshed, bone muscle and brain in body and mind, with continual flow of rich blood.

This is health.

When weak, in low spirits, no cheer, no spring, when rest is not rest and sleep is not sleep, we are starved; our blood is poor; there is little nutriment in it.

Back of the blood, is food, to keep the blood rich. When it fails, take Scott's Emulsion of Cod Liver Oil. It sets the whole body going again—man woman and child.

If you have not tried it, send for free sample, its agreeable taste will surprise you.
