In the afternoon, in company with Father Berthiaume, he drove to Central Point, calling on the Olwell family before leaving the northbound train. Rev. John Reid, Jr., of Great Falls, Mont., recommended Ely's Cream Balm to me. I can emphasize his statement, "It is a positive cure for catarrh if used as directed."—Rev. Francis W. Poole, pastor Central Pres. Church, Helena, Mont. After using Ely's Cream Balm six weeks I believe myself cured of catarrh. Joseph Stewart, Grand Ave., Buffalo, N. Y. The Balm does not irritate or cause sneezing. Sold by druggists at 50 cts. or mailed by Ely Brothers, 58 Warren St., New York.

LOCAL NOTES.

Only candy kitchen in southern Oregon at The Boss. Frank Godfrey of Table Rock precinct was one our visitors this week. Fresh vegetables of all kinds can now be found at The Boss. A. Gangwisch is engaged in prospecting in Jackson creek district. Elegant home-made candies of all kinds a leader at Joe Wetterer's. Trespass notices, printed on cloth, on sale at THE TIMES Printing House. Eugene Thompson has returned from a trip to southeastern Oregon. The weather continues cold and dry, with rain threatening but not arriving. Joe Wetterer makes a specialty of light drinks, fresh candies, nuts, tropical and other fruits, etc. Geo. R. Justus and his wife have gone to Klamath, Calif., where they will conduct a boarding-house. Notes, receipts, drafts, due-bills, etc., in book form, can always be obtained at THE TIMES Printing House. The Jacksonville public school's vacation will commence tomorrow, and will be over three months in duration. A. P. Estabrook, the leading druggist of Gold Hill, makes a poison oak remedy, and GUARANTEES TO CURE poison oak. Mr. Darling and his family, who have been residents of Jacksonville for some time past, are now located at Iacerna, Calif. Belle Lucas of Ashland has commenced a suit for divorce against her husband, Lynn Lucas. E. D. Briggs is her attorney. Tom Young has just finished a ditch in Eagle Point precinct for Peter Britt, which is three miles long. It is a fine piece of work. Choice home-made candy and tropical fruits can be obtained at The Boss cheaper than anywhere else in southern Oregon. Potatoes are scarce, and the frost having nipped the early varieties both in California and here, the price has jumped to \$1.50 a sack. Next Thursday is Decoration Day, and it will be observed by the G. A. R., as usual, and by several other fraternal organizations. We have just printed an assortment of blanks, in conformity with the laws passed by the last legislature, which every miner should use. Wm. A. Cook of Fooths creek is in charge of the Gold Hill railroad section during the absence of A. Cunningham, and is performing his work acceptably. Police Judge Cox had a transgressor of the city ordinances before him on Monday, and fined him \$12 for disturbing the peace. The money was paid. Rev. S. H. Jones will hold services at the Presbyterian church in Jacksonville, Sunday morning and evening, instead of at Gold Hill and Woodville. Lester Bailey of Missouri Flat, who was operated on last week by Doctors Reuter, Robinson and DeBar, is improving steadily, and is almost out of danger. St. Mary's Academy will close the present school year June 21st. This first-class institution of learning has received a liberal patronage, which it well deserves. A partial failure of crops in this valley is feared. Spring-sown grain is almost past redemption; consequently the hay crop will fall far short of former years. A musical and literary entertainment will be given at U. S. Hall, June 20th, by the pupils of St. Mary's Academy. A splendid programme is being arranged therefor. We are sending statements of account to our delinquent subscribers, which we expect a prompt response to. It costs a great deal to run a newspaper like THE TIMES. J. H. Neison, who has been a resident of Applegate for several years, left for the southeastern part of Idaho this week, where he has relatives, and will remain there. J. F. Cole has commenced a suit for divorce against his wife, Isabel Cole. Both parties live in Ashland. C. B. Watson is his attorney, while W. M. Colvig represents Mrs. Cole. Admission to the commencement exercises of the Jacksonville High School will be free to all parts of the hall. No reserved seats will be sold as previously announced. This is eminently proper. Judge Day and his estimable wife celebrated the thirtieth anniversary of their marriage last Tuesday. THE TIMES joins their many friends in congratulations and wishes for many happy returns of the day. The committees appointed to make arrangements for the 4th of July celebration in Jacksonville will spare neither pains nor expense to make this the event of the season. Preparations have already commenced. Will. Coleman, Phoenix's new merchant, has been appointed postmaster of that village. Frank Towne held the position for many years and as long as he wanted it, although a Democrat, because he gave general satisfaction. Geo. Wait of Watkins precinct was in Jacksonville Wednesday. He has supplied himself with a boat, net, etc., and will catch a large number of turtles for the San Francisco market this season. He went to Rogue river this morning. Supervisor Langell of the Cascade reserve while in Jacksonville yesterday, informed THE TIMES that he is assigning his force of forest rangers, who will soon assume their duties. J. C. McCully and Henry Ireland will be among them. W. H. Hosler, formerly of Medford, and who was interested in the Powell's creek mines a few years ago, has been spending the winter in Ashland. He is interested in some claims in Cape Nome district, and sailed for Alaska this week.

DeWitt's Little Early Blears search the remotest parts of the bowels and remove the impurities speedily with no discomfort.

They are famous for their efficacy. Easy to take, never gripe. City Drug Store, Jacksonville, and Dr. J. Hinkle, Central Point. J. W. Corum, a prominent horticulturist of Willow Springs precinct, was at the county-seat a few days ago, accompanied by his son, Prof. Corum, who is teaching the Missouri Flat school. He informs THE TIMES that he will have a big crop of fruit. T. H. B. Taylor, proprietor of Medford's feather-cleaning establishment, will visit Jacksonville before long and make regular trips thereafter. He does first-class work at reasonable rates. Our citizens should have their feather beds, pillows, etc., cleaned by him. Skin affections will readily disappear by using DeWitt's Witch Hazel Salve. Look out for counterfeits. If you get DeWitt's you will get good results. It is the quick and positive cure for piles. City Drug Store, Jacksonville, and Dr. J. Hinkle, Central Point. E. Ivery, a prominent citizen of Modoc county, Calif., and a brother of P. Ivery of Applegate, arrived in the valley last week, accompanied by two of his daughters. He came to consult Dr. Bohannon, the cancer specialist, who pronounced his case hopeless. Jacksonville never does anything by halves. There is no doubt but what at least \$500 will be available for the celebration of the 4th of July here, and the committee having the finances in hand think it will aggregate \$600. This will ensure a first-class affair in every particular. The Mono, Uno, Juncu, Valley View and Oro Fino quartz mines, owned by the Oregon Exploration and Development Co., which has been operating in the vicinity of Gold Hill, were last Saturday sold by Sheriff Orme. They were bid in by Walter J. Bates, the judgment creditor, for \$1981. U. S. Hall has been prepared for the magnificent entertainments of the Jacksonville High School, which will take place tomorrow evening. They will be quite interesting and doubtless reflect credit on all concerned. The graduates are Misses Edith Priest, Agnes Love, Florence DeBar, Bertha Orme, Ida Cook, Luex Kitchin. P. P. Prim's Cabin, N. S. O., and Jane McCully Cabin, N. D. O., will hold memorial services at their cabin in Jacksonville Thursday, May 30th. A good literary and musical programme will be observed, which will include addresses by A. E. Reames, W. I. Vawter and other native sons. Afterward the members of the cabins will proceed to the Jacksonville cemetery and decorate the graves of departed ones. The Edison Waragraph Co., represented by Fleming Bros., gave a performance at U. S. Hall Tuesday night. The audience, which was fair in size, would have been decidedly larger, had our citizens known of the excellence of the entertainment offered them. The machinery, pictures, etc., are of the latest pattern, true to life and skilfully operated. Messrs. Fleming, who are genial, square-dealing men, will return late in the fall, when they will present the celebrated Passion Play. Professor A. P. Armstrong, principal of the Portland Business College, is visiting his mother at Jacksonville this week. It is said that his "side line" is to lay a few wires in readiness to pull when the next Republican state convention meets. If this is the case the Professor is wasting time in this section. His friends in Southern Oregon are as the leaves of the forest, and they need no coaching to stand by him. He says he is not a candidate for state school superintendent. Yet the exigencies of politics may make him such. Billousness is a condition characterized by a disturbance of the digestive organs. The stomach is debilitated, the liver torpid, the bowels constipated. There is a loathing of food, pains in the bowels, dizziness, coated tongue and vomiting, first of the undigested or partly digested food and then of bile. Chamberlain's Stomach and Liver Tablets allay the disturbances of the stomach and create a healthy appetite. They also tone up the liver to a healthy action and regulate the bowels. Try them and you are certain to be much pleased with the result. For sale by City Drug Store. The trial of H. Salomon, Houck & Dame, V. S. Lewis and High & Son-nichson, charged with selling liquor without license to one K. J. Johnson, took place in Recorder Berry's court at Ashland Monday, and on Tuesday some of the same defendants were tried on other charges of a like nature. All of them were found guilty and sentenced to pay fines of \$75 in each case, excepting that where more than one party composed a firm each was fined \$50. Proceedings have already been started to review the matter in the circuit court. Judges Hale and Neil and H. L. McWilliams appear for the city authorities and Hon. W. M. Colvig and C. B. Watson represent the defendants.

Langell of Medford and his wife visited their many friends in Jacksonville Wednesday. E. B. Myer, a prominent farmer of the upper valley, was among our visitors Tuesday. Mr. Porter of Polk county was in town the forepart of the week. He has staked some to Lake county, to do some warveing. Harry Langell, who is in Klamath county at present, will be one of the festive forest rangers this season, having given satisfaction before.

CENTRAL POINT POINTERS.

Marshall Patrick was in Jacksonville Sunday evening. John Ross went to Medford Tuesday, to interview Dr. Keene. Mrs. J. C. Pendleton of Table Rock made us a visit one day last week. Will. Grieve was with us not long ago. He is farming on upper Rogue river. Mrs. Stidham and her two younger daughters visited in Grant's Pass recently. Miss Susie Applegate, deputy county recorder, visited in Central Point last week. Holmes Bros. received a carload of stone coal for their blacksmith shop this week. F. O. Hawk, the clever blacksmith, is kept busy, and is turning out superior work. Mr. Pheister, stone mason, is at work on the foundation of Frank Amy's new house. Jas. Fish has sold his ranch, a few miles northeast of town, to W. Beebe of Table Rock precinct. Mrs. Sinclair has sold her property in Eagle Point to J. A. Jonas of that place, and has moved to this town. Mrs. W. C. Owen has returned to Hornbrook, Calif., after a pleasant visit with relatives and friends here. Several of our young men visit Jacksonville Sundays; and Dame Rumor is beginning to ask the reason why. J. H. Messner, our veterinary surgeon, has received a number of professional calls lately, and never fails to give satisfaction. The ice-cream social given at the G. A. R. hall by the Ladies' Aid Society Friday evening, was enjoyed by all in attendance. It was a success in every way. Rev. O. J. Gist, Christian minister of Medford, on Sunday preached his farewell sermon in the Baptist church to a large congregation. He is very much liked in this place. E. E. Smith's (ex-deputy sheriff and clerk) father and mother, Mr. and Mrs. J. E. Smith, and Mrs. E. E. Deming arrived here Sunday from the East. They will settle in Ashland or California. The stone-cutters and quarrymen have taken a lay-off since last Friday. From what can be learned Mr. Wall's superiors are slack about furnishing him with money. Work is expected to start up again soon. Quite a number of our people attended church at Phoenix last Sunday. The Rev. Mr. Skeel, a Soul Sleeper, is holding a series of meetings in that place. He will resume services in Central Point next Sunday evening, and remain several days.

A. O. U. W. Jubilee.

A very pleasant lodge event was the supper and entertainment given last Saturday evening by Table Rock Lodge No. 81, A. O. U. W., assisted by the ladies of the Degree of Honor of Holly Lodge No. 16, of Central Point, at the Brick Hall in that town. Grand Foreman C. C. Hogue of Albany was present, and gave an instructive and timely talk on the merits of the classified plan, illustrating his lecture with screen work and lantern effects. A literary and musical programme, perhaps the best ever given in Central Point, was presented, which kept the audience engrossed until a late hour. The supper afterwards spread at the lodge hall was like the programme, high-class in every way, and was enjoyed by a large number of the members, their families and friends. The occasion of the jubilee was the completion of the payment for the lodge hall building. Table Rock lodge was wise enough to invest in most comfortable quarters during the depression of prices some years ago, and is now out of debt, owning most desirable property, and being one of the best equipped lodges of any order in Southern Oregon. The accession of about a dozen new members was the result of the jubilee meeting, which it is the intention of the lodge to repeat at Eagle Point later in the season.

WEARY WOMEN

Throughout the Land Many Are Slaving over the Needle and Wearing Themselves out.

From the Maine Farmer, Augusta. There are many women all over the land who are earning a living by the use of the needle. Confinement in close rooms and the trying nature of their work often causes them to grow pale and wan and to experience a feeling of constant weariness. This goes on, sometimes, until nature rebels and health breaks down. There is one way and only one way to restore the impaired vitality, and that is to strengthen the worn-out nerves and build up and nourish the impoverished blood. If the blood is kept healthy and rich and the nerves strong, new life and energy will soon be felt. This was the experience of Mrs. Addie R. Holt, a dressmaker, No. 73 Bridge street, Augusta, Me. She says: "About five years ago I began to experience a worn-out feeling. Sometimes I would lie in bed for a day or so, but my dressmaking work obliged me to keep up, even when I did not feel to be about. Insuffered from female troubles and last spring I had rheumatism in my left arm and also a pain in my left side in the region of my heart. "In August a friend recommended Dr. Williams' Pink Pills for Pale People and I began taking them immediately. I commenced to improve in about two weeks and in three months my weight increased from 121 to 133 pounds. Since taking the pills I have had no return of the pain in my arm nor near my heart. "I am still taking Pink Pills for Pale People and I am gladly recommending them to all who say that anything ails them." Signed, ADDIE R. HOLT. Subscribed and sworn to before me this 4th day of February, 1901. Notary Public. FREMONT J. C. LITTLE. Dr. Williams' Pink Pills for Pale People are sold by all dealers, or will be sent postpaid on receipt of price, 50 cents a box, or six boxes for \$2.50 (they are never sold in bulk or by the hundred), by addressing Dr. Williams Medicine Company, Schenectady, N. Y.
