You can never cure dyspepsia by dieting. What your body needs is plenty of good food properly digested. Then if your stomach will not digest it Kodol Dyspepsia Cure will. It contains all of the natural digestants; hence must digest every class of food and so prepare it that nature can use it in nourishing the body and replacing the wasted tissues, thus giving life, health, strength, ambition, pure blood and good, healthy appetite. President McKinley has issued a proclamation throwing open to settlement the lands ceded by the Wichita and affiliated bands of Indians, in accordance with the act of March 2, 1895, and those made by the Comanche, Kiowa and Apache tribes, in pursuance of the act of June 3, 1900. It provides for the opening of the lands in those reservations, which are not reserved, at 9 o'clock A. M., August 6, 1901, the lands to be open to settlement under the homestead and townsite laws of the United States. For a living. He has to. He must "make hay while the sun shines," no matter how he feels. The result is overwork. The stomach usually gives the first sign of strain. The organs of digestion and nutrition are damaged. Food does not nourish. Indigestion appears. In such a case Dr. Pierce's Golden Medical Discovery re-establishes the health by a complete cure of the diseased organs of digestion and nutrition. It cleanses the stomach, purifies the blood and removes the causes of disease. It is a temperance medicine, and contains no whisky nor alcohol.

"I was troubled with indigestion for about two years," writes Wm. Bowker, Esq. of Juliette, Utah Co., Idaho. "I tried different doctors and remedies but to no avail, until I wrote to Dr. Pierce and he told me what to do. I suffered with a pain in my stomach and left side and thought it would kill me. I am glad to write and let you know that I am all right. I can do my work now without pain and I don't have that tired feeling that I used to have. Five bottles of Dr. Pierce's Golden Medical Discovery and two vials of his 'Pleasant Pellets' cured me."

Sick people can consult Dr. Pierce by letter free. All correspondence private. Address Dr. R. V. Pierce, Buffalo, N. Y.

MINING NEWS.

A 15-pound nugget was recently picked up in Spanish gulch, Malheur county.

Miners' liens, deeds to mines, water right locations and other mining blanks always on hand at THE TIMES office.

H. W. Karchoff has bought the Arnett placer property, situated in Briggs creek district, and will increase its capacity.

The United States is now first in gold production, owing to the Boer war, which prevents operation of the South African mines.

A mill is being built on the Lance property, in Foothills creek district, by Ward, Sissy & Wiggins, to crush ore from the Horseshoe ledge.

J. H. Simon, who is working the Whitney mine, located near Gold Hill, recently had a quantity of ore crushed at Houck's custom mill, which yielded \$30 a ton.

The fourth large Klondike treasure consignment, swelling the total receipts of the spring cleanup to date to \$3,000,000 in gold, came on the City of Seattle, which arrived from that district on the 7th. The discovery of mineral on land that is patented does not require location. A vein apexing in patented land, unless it is a lode mine patent, gives no extralateral rights to the owners. It is impossible that there should be any extralateral rights, as there is no law under which they can be initiated. Location as a lode mining claim is an essential condition precedent to extralateral rights.

How Her Eyes Came Straight—on the Fourth.

(Medford Mail.)

July 4th was a happy day for Miss Pearl Beckett, and her parents, Mr. and Mrs. T. W. Beckett of this city. For ten years the daughter had been troubled with cross eyes, caused from nervousness, from which she suffered great inconvenience. On July 4th they consulted Dr. Darrin at Hotel Nash, and in twenty minutes from the time they entered his office the young lady's eyes were restored to their natural position, and, as Mr. Beckett stated to a Mail reporter, he believed that the cure, effected by a slight but skillful operation, will be permanent. The following card from Mr. Beckett is self explanatory:

"TO WHOM IT MAY CONCERN:—For about ten years my daughter, Pearl, has been cross-eyed—both eyes turning in. Dr. Darrin cured her the 4th of July in about twenty minutes with little or no pain or inconvenience. I will gladly explain to any one the manner of cure. I never spent a more glorious Fourth of July than the one just passed. I am employed in Cranfill's store, opera house block, Medford. We commend Dr. Darrin as a skillful physician.
