Durphy, the defendant, who has been in Eureka, Calif., attending to his lumber interests, is on hand, and there is no likelihood of any postponement. Durphy asserts that parties have had this case brought against him from wrongful motives, and not in the interests of justice. Still More Counterfeiting. The Secret Service has unearthed another band of counterfeiters and secured a large quantity of bogus bills, which are so cleverly executed that the average person would never suspect them of being spurious. Things of great value are always selected by counterfeiters for imitation, notably the celebrated Hostetter's Stomach Bitters, which has many imitators but no equals for indigestion, dyspepsia, constipation, nervousness and general debility. The Bitters sets things right in the stomach, and when the stomach is in good order, it makes good blood and plenty of it. In this manner the Bitters get at the seat of strength and vitality, and restore vigor to the weak and debilitated. Beware of counterfeiters when buying.

Wright, feel much encouraged with the developments made. A quantity of ore was tested recently and yielded \$70 a ton. Get the Most Out of Your Food Ice Cream

You don't and can't if your stomach is weak. A weak stomach does not digest all that is ordinarily taken into it. It gets tired easily, and what it fails to digest is wasted.

Among the signs of a weak stomach are uneasiness after eating, fits of nervous headache, and disagreeable belching.

"I have taken Hood's Sarsaparilla at different times for stomach troubles, and a run down condition of the system, and have been greatly benefited by its use. I would not be without it in my family. I am troubled especially in summer with weak stomach and nausea and find Hood's Sarsaparilla invaluable." E. B. HICKMAN, W. Chester, Pa.

Hood's Sarsaparilla and Pills Strengthens and tones the stomach and the whole digestive system.

A SUCCESSFUL MAN

How He Attained His Present Enviably Position.

"Honesty, aggressiveness and health are the requisites for success."

"These are the words of John H. Riley, of Cantonville, N. Y., who has attained the main thing that all men desire, 'The first two qualities I mention are necessary,'" he continued, "if a man or a woman wants to rise in life, but they are of little use if the third is not in your possession."

In response to questions he said: "About two years ago I was taken down with inflammatory rheumatism and was flat on my back, racked with pain and as helpless as a child for fourteen weeks. During those weeks I suffered as only they who have inflammatory rheumatism can suffer."

"Didn't you have any medical attendance?" queried the reporter.

"Yes, I had the best that could be procured but the doctors did not help me."

"But how did you become cured?"

"Before I was taken sick I had seen advertisements of Dr. Williams' Pink Pills for Pale People which stated that they were good for rheumatism. I was willing to try anything for relief so I got some and was benefited almost immediately. I had taken but six boxes when I was able to return to my work, but I continued taking them till nine boxes were used up. I was entirely cured and have had no return of the trouble since. I consider Dr. Williams' Pink Pills for Pale People a wonderful remedy, and I have recommended them to a great many people."

Rheumatism has been cured in hundreds of other instances by Dr. Williams' Pink Pills for Pale People. They are a specific not only for that disease but for all ailments arising from a disordered condition of the blood or shattered nerves, such as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, nervous headache, the after-effects of the grip, palpitation of the heart, pale and sallow complexions and all forms of weakness either in male or female.

Dr. Williams' Pink Pills for Pale People are sold in boxes at 50 cents a box or six boxes for \$2.50, and may be had of all druggists, or direct by mail from Dr. Williams Medicine Co., Schenectady, N. Y.
