Notices for the location of placer and quartz mines, etc., up-to-date and complete, for sale at THE TIMES

The American Mining Code, standard authority on all subjects pertaining to mining, water-rights, etc., is kept on hand at THE TIMES office.

The California Miners' Association will hold its 10th annual session at San Francisco next month, beginning more than usual interest.

Messrs. Moss, Bobzien and Tobier of Grant's Pass, who have been developlog a mine in Grave creek district, of H. B. Nye. sold it last week to L. A. Lewis of Portland.

F. W. Swacker, an excellent miner, Joe Wetterer makes a specialty of light drinks, fresh candies, nuts, tropical and other fruits are creek district, which are owned by Hon. E. B. Dufur.

> W. Van Dorn, who recently dis-covered a ledge of considerable dimensions in Taylor creek district, exhibited some fine ore in Grant's Pass Friday. An assay puts a value of \$64

Messrs. Perkins, Shaska, Taylor. Carter and Owens of Grant's Pass are developing a promising mine in Jump-off-Joe district. They have al-ready run several hundred feet of tunnel and a shaft, and feel much encouraged.

Max Brown, the well-known miner, was at Grant's Pass last week. With Messrs. Crane, Messerve and others he is developing a mine in Rogue river district, not far from Mule Hill. It is a well-defined one, and some of

the ore has assayed fabulously. District Attorney Reames went to Grant's Pass Sunday evening. He will remain until circuit court closes.

Chris. Ulrich lately received 200,000 first-class cedar shingles, which he will trade for baled hay or grain.

F. H. Osgood, who has the Bybee mines, located in Josephine county, bonded, is putting them in shape for extensive operation. He has had 40 extensive operation. men employed in enlarging the ditch that carries water from Elder creek

and making other improvements. Col. Rodgers, of the Oregon Bo-nanza, left for San Francisco Friday, to order a steam hoist and other machildery to keep the mine free from Pass a day.
water and bring up the ore. He has had much experience in mining, and feels certain that he is developing a

first-class property. D. J. S. Pearce & Son have bonded their ledge, known as the Access and situated in Poorman's creek district, to Robt. Bond for \$10,000. This ledge is several feet wide, the ore from which assays from \$3.75 to \$9 in gold per ton as well as other minerals. It s a promising property.

Dr. Jas. Spence, who has spent much time and money in developing some propositions on Houck mounsituated in the southern part of Josephine county, feels certain that he has a bonanza. His ledges are large and carry considerable gold besides a handsome percentage copper.

Henry Brockman has sold his in terest in the ledge that he has been developing in company with Mr. Madden, situated in the Grare creek region, to John Yokum, an excellent miner, for \$1500. The property promises to be one of the best in the district. There is a considerable quantity of fine ore in sight.

H. Kling of Seattle, who will mandistrict, during the coming season, arrived in Jacksonville lately, accompanied by D. E. Taylor and M. E. Olson, who will assist him. These placers are good ones, but have not been well managed in the past.

The final payment for the Golden Standard mine, located in Gall's creek, was made last week by Messrs. Lawson and Ramsey, and formal possession has been given them by Kubli & Co. The new owners will put up a big stamp mill soon, and also run a tunnel several hundred feet in length to iap the ledge lower down. The sale was negotiated by K. K. Kubli, and is one of the best ever made in southern Oregon. The final payment for the Golden ern Oregon.

C. T. and J. E. Davidson, two of The venerable father of B. F. Carter of Woodville, for many years a highly respected citizen of Iowa, died at the residence of his son, living at Hatfield, Mo., a short time ago. He was over 87 years old.

Jas. McDermott of San Francisco last week purchased about 300 head of cattle from Messrs. Butler, Kincaid and Barron, who live in the upper end of the valley, paying 3 and 3+ valuable mine will be developed in valuable mine will be developed in due time by the present owners.

The cleanup of gold in the Klon-dike grows apace. Last year it reach-ed \$22,000,000. Last winter it was predicted that the output would touch \$30,000,000. Last week the out-put had grown to an estimate of \$40,-000,000—and now, eyen the represen-tative of one of the largest and most reliable transportation lines connected with the gold fields of the North declares that the output will reach \$50,000,000. If this should prove to be true, the stampede to the Kiondike in 1902 will be a record breaker.

Good Advice.

The Albany Brewing Co., which manufactures ice that is noted for its purity and excellence, recently shipped a carload to The Banquet. In one cake flowers and grapes had been frozen, which presented a handsome and novel appearance and attracted much attention.

Jackson county's exhibit at the State Fair was one of the very best, and attracted much attention. It lacked in some respects, however, notably grapes. It was not in position early enough to take the first prize, being delayed somewhere on the way to Salem.

A never-failing cure for cuts, burns, scalds, ulcers, wounds and sores is DeWitt's Witch Hazel Salve. A most

PORTLAND, OREGON.

A Boarding and Day School for Girls. MUSIC, ART AND ELOCUTION.

This School offers to girls a broad and thorough education, combined with the advantages of a healthful and refued home. It occupies a large and attractive building in the immediate vicinity of the City Park. The sanitary condition of the premises has been made a matter of special attention. The bed chambers, class and recitation rooms are large and thoroughly ventilated; and the construction of the building is such that every room is open to the sunlight. The greatest care has been taken to provide all the necessary appointments of a well equipped school, and to furnish every facility for training pupils in the most approved methods. The aim of the school is to give thorough and well-ordered instruction to girls and young women, fitting them for college when that is desired, and to aid in the development of true and womanly character.

The Fall term opens September 16, 1901. A faculty of twenty competent teachers insures for children and young women that individual care and instruction necessary to the best

There are four skilled teachers in the Music Department alone, specialists in Art and Oratory, and native teachers in French and German. Provision is made for all athletic games suitable to women, as tennis, croquet, basketbal doycling and horseback riding. A gymnasium, 50x100 feet, is in process of construction which will offer still more opportunities for healthful exercise.
