THE state of Texas, through its trusts for violating anti-trust laws, and has retained some of the best attorneys in the United States. The Lone Star State is "all right," as said to be authentic.

Was he talking ironically or only flustering, as customary, when over a year ago Joe Chamberlain, colonial secretary for Great Britain, said: "Now that the war (in South Africa) is over, our people have scarcely realized how difficult a war it was; no other nation on earth could have done what we have done."

THE taxes levied by the United States' government should be greatly reduced. This can easily be done, as the revenues yielded cause a big surplus to accumulate. During October the total receipts were \$49,381,-952 and the expenditures \$40,645,833. which leaves a surplus for the month of \$9,186,117. The receipts were nearly \$2,000,000 less than for October, 1900, and the expenditures nearly \$7,300,000 less.
