Ely Bros.: After giving your Cream Balm a trial I can truly say I feel very much benefited by its use, and shall continue to use it by purchasing from our druggist here. MRS. W. B. DANIEL. The supreme court, as might have been expected, affirmed the decision of Judge Hanna in what is known as the Ashland liquor cases. The saloonkeepers had little to go to the upper court with. Chief Justice Bean delivered the opinion, of which the following is a synopsis: Jesse Hockell and Jos. Dame and the other plaintiffs were convicted in the recorder's court of Ashland of violating the city ordinance regulating the sale of liquors. Plaintiffs questioned the right of the city to "regulate or license the sale of intoxicating liquors on to make it an offense to sell such liquors without a license." The court holds that the city has sole power to regulate such matters as the provisions of the city charter prescribe in so far as such acts do not conflict with the general laws of the state regulating the liquor traffic. The second contention of the plaintiffs, that the city ordinance is void "because it is not limited to the sale of liquors as a beverage, and does not exempt from its provisions sales made upon the prescription of a licensed physician," is also dismissed for the reason that the city has no jurisdiction in such cases. The failure of the city council at its annual meeting to vote for the licensing of saloons, as provided in the city charter, was advanced as a defense by plaintiffs; but the court holds that no license can be issued during that time. RELIGIOUS APPOINTMENTS. Rev. Mr. McGregor will hold services at the M. E. church, in Jacksonville, Sunday morning and evening. Rev. S. H. ARTHUR LANGGUTH

PRESIDENT OF THE MICHIGAN PRESBYTERIAN PUBLISHING CO.

An Interesting Incident in the Life of a Successful Man as Told in a Personal Interview. Mr. Arthur Langguth is president of the Michigan Presbyterian Publishing Company and is known as a conscientious and reliable man as far as the official organ of that church, the Michigan Presbyterian, circulates. The home office of the concern is at No. 15 John R. street, Detroit, and in that town he is known as the successful manager of a large business and a leading citizen. In a recent interview he said: "Several years ago, in some manner I strained my back. Instead of getting better it became worse and the pain increased so much that I could not lie down on my back and when sitting I was obliged to lean forward. It was not only very painful but caused me great inconvenience and in spite of all the remedies I took it did not become any better. I did not want to leave my business but at last I reluctantly decided to go to Colorado for the change and rest. "But as I was making my preparations for the trip, the wife of a minister who is a friend of our family advised me to take Dr. Williams' Pink Pills for Pale People and so strongly did she recommend them that I put off the journey and tried the pills. "Well, it was wonderful. I improved from the very start. I had become extremely emaciated from the pain and loss of appetite, but by the time I had taken a box my appetite began to return, the pains began to leave me and I picked up in health. In a short time I was completely well again." Dr. Williams' Pink Pills for Pale People will not only effect a cure in cases similar to that above but, acting directly upon the blood and nerves, are an unfailing specific for such diseases as partial paralysis, St. Vitus' dance, sciatica, neuralgia, nervous headache, after-effects of the grip, palpitation of the heart, pale and sallow countenances and all forms of weakness, either in male or female. Dr. Williams' Pink Pills for Pale People are sold by all dealers, or will be sent postpaid on receipt of price, fifty cents a box or six boxes for two dollars and fifty cents, by addressing Dr. Williams Medicine Company, Schenectady, N. Y.
