### FACTS IN FEW LINES

An American desk factory is about to commence operations in London.  
Steam druggies costing \$250,000 are being introduced in Alaskan gold regions.

The New Zealand government is raising the wages of its railway employees to the extent of \$100,000.  
The Belgian government is drawing up a bill providing for the total suppression of Sunday newspapers.  
The assessed valuation of the state of Idaho has increased \$4,649,580 in a single year, and the total now is \$52,195,480.  
The government agricultural experts are hard at work trying to evolve an orange tree that will prosper under cold weather.

California's state flower is the golden poppy, and one of the professors at Stanford university has published a book devoted exclusively to the flower and its legendary history.

**Italians Love Tomatoes.**  
Italians more than any other people value tomatoes, and each one that comes to perfection is as carefully tended as though it were an apple of gold. Not only do the housewives delight in the fresh vegetables themselves, but, generally speaking, those home tended are better than any purchased at the market, and so each one is jealously saved to make tomato sauce for the spaghetti, without which no Italian Sunday would be Sunday. One soapbox gardener one season sold enough tomatoes to give her quite a little pin money. No one who knows the Italian well will be surprised to learn that many of the boxes are devoted to peppers, for they in truth furnish much of their spice of life, and even the little Italian girls know how to stuff and cook them in a dozen different ways that tempt the palate.—Boston Transcript.

Kidney Trouble Makes You Miserable.  
Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Birmingham, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.
