When the Hair Falls Out
 accompanied by mucous patches in the mouth, eruptions on the skin, sore throat, copper colored spots, swollen glands, aching muscles and bones, the disease is making rapid headway, and far worse symptoms will follow unless the blood is promptly and effectually cleansed of this violent destructive poison.
My Condition Could Have Been No Worse.
 In the fall of 1897 I contracted Blood Poison. I tried three doctors, but their treatment did me no good; I was getting worse all the time; my hair came out, ulcers appeared in my throat and mouth, my body was almost covered with copper colored spots and offensive sores. I suffered from rheumatism in my shoulders and arms. My condition could have been no worse; only those afflicted as I was can understand that. About a week I had lost all hope of ever being well again when I decided to try S. S. S., but must confess I had little faith left in any medicine. After taking the third bottle I noticed a change in my condition. This was truly encouraging, and I determined to give S. S. S. a thorough trial. From that time on the improvement was rapid; S. S. S. seemed to have the power to ease completely under control; the sores and ulcers healed and I was soon free from all signs of the disorder. I have been strong and healthy ever since.

Child Worth Millions.

"My child is worth millions to me," says Mrs. Mary Bird of Harrisburg, Pa., "yet I would have lost her by cough had I not purchased a bottle of One Minute Cough Cure." One Minute Cough Cure is sure cure for coughs, croup and throat troubles. An absolutely safe cough cure which acts immediately. The youngest child can take it with entire safety. The little ones like the taste and remember how often it helped them. Every family should have a bottle of One Minute Cough Cure handy. At this season especially it may be needed suddenly. City Drug Store, Jacksonville, and Dr. J. Hinkle, Central Point.

For the American Derby.

An agent of the British government who has purchased several broken down thoroughbreds at Montgomery Park, Tenn., for shipment to South Africa, called on Sam Hildreth in Memphis recently and asked that owner to put a price on McClesney, the sensational son of Macduff.
 "Oh, no!" was Hildreth's reply. "That colt doesn't go to Africa. He is going to Washington park, where he'll win the next American Derby."
 Hildreth thinks he has the Derby already won and is anxiously awaiting the opening of the winter book on the event.

Jeffries to Meet the Winner.

Jim Jeffries will meet the winner of the Sharkey-Maher bout in Denver in either March or April. When Jeffries was in Denver recently, he was asked by local promoters if he would consent to such a match, and he stated that he would. A letter has since been received in which he has expressed a strong desire to meet the winner of the fight which takes place in Philadelphia.

Don't Live Together.

Constipation and health never go together. DeWitt's Little Early Risers promote easy action of the bowels without distress. "I have been troubled with constipation nine years," says J. O. Green, Depauw, Ind. "I have tried many remedies but Little Early Risers give best results." City Drug Store, Jacksonville, and Dr. J. Hinkle, Central Point.

Woman's Louis XVI. Coat.

Louis XVI. coats, with all their picturesque quality of big revers, hip pocket lings, turnover cuffs and lace trims, are among the season's favored designs. This highly effective model is cut in the most fashionable lines and is adapted to velvet, velveteen, handsome cloth and silk, either with skirt to match or in contrast. The original makes part of a costume, the material for which is hunter's green velvet, and is trimmed with bands of mink and large jeweled buttons, the rest being of brocade and the revers, collars and cuffs of Irish crocheted over white satin.

Professor Drummond at a Ball.

In a new biography of the late Professor Henry Drummond the professor tells of a "hundred freethinking young ladies at a drawing room meeting—good people strictly excluded." and continues: "Last week I went to a ball, but this is almost the only invitation I have accepted. I wanted to see the Prince of Wales in his native jungle. It was a most magnificent spectacle and quite a thing to see once in one's life. I watched the prince and princess through a dance, but had no opportunity of giving them—tracts! After all, a ball is not such a pandemonium. I had one or two really good talks, and one noble earl said to me, 'If I did not think Christ was as near me here as in church, I would not have come!'"

Had It In His Pocket.

Representative Dalzell was discovered pacing uneasily up and down the ways and means committee room one day recently.

"What's the matter," asked Representative McClellan. "You seem to be nervous."
 "I am nervous," replied Mr. Dalzell. "I'm going to speak on this Philippine tariff bill. I always have stage fright for hours before a speech."
 "And that reminds me," he continued. "Years ago President McKinley

"THE DIFFERENCE BETWEEN US IS THIS."

and I were waiting at a hotel to be driven to a hall where we were both announced to speak. Mr. McKinley sat calmly smoking his cigar, while I was pacing up and down just as I am now.
 "Major," I said, "don't you ever get nervous before speaking? You are as cool as a cucumber, and I'm as nervous as the valet of a young ladies' seminary."
 "My dear Dalzell," he replied, "the difference is this—you have got your speech in your head, and I've got mine in my pocket."—Washington Post.

Corn Crop of 1901.

The average yield per acre of corn in this country for 1901 is the lowest on record—two bushels less than that of 1881, long the record breaker for low average. The average for last year was put at sixteen bushels, and the average for that of 1900 was twenty-five bushels.

The Corn States.

In 1900 Texas produced 708,000 cwt. than Illinois, Iowa, Nebraska, Minnesota, Kansas and Indiana and more than any other of the states. The farm value of Texas corn for 1901 is put at \$38,522,500.

Children Especially Liable.

Burns, bruises and cuts are extremely painful, and if neglected often result in blood poisoning. Children are especially liable to such mishaps, because not so careful. As a remedy DeWitt's Witch Hazel Salve is unequalled. Draws out the fire, stops the pain, soon heals the wound. Beware of counterfeits. Sure cure for piles. "DeWitt's Witch Hazel Salve cured my baby of eczema after two physicians gave her up," writes Jas. Mock, N. Webster, Ind. "The sores were so bad she soiled two or five dresses a day." City Drug Store, Jacksonville, and Dr. J. Hinkle, Central Point.

Grandma's Twin.

Johnny was delighted to hear granny was coming to spend his birthday with him. When she arrived, she said: "Do you know, Johnny, that it is my birthday today too?"
 "Oh, granny," exclaimed the boy, "then we're twins!" And no one could persuade him such was not the case.

A Sugo Reply.

"Are you enjoying your holiday this summer, Willie?"
 "Yes," replied Willie.
 "Do you miss your school much?"
 "Not much. But I fancy mother does."
