Frequently an individual, in whos family rheumatism has not occurred, develops the disease, and when a diagnosis of the case is made, it is generally found that the ailment is due to a de rangement of the blood.

External applications may afford temporary relief, but to cure the disease it is necessary to treat it through the blood.

Dr. Williams' Pink Pills for Pale People go directly to the seat of the disorder, purifying and enriching the blood by eliminating poisonous elements and renewing health-giving forces.
