

## Bright's Disease.

The largest sum ever paid for a prescription changed hands in San Francisco Aug. 30, 1901. The transfer involved in coin and stock \$112,000 and was paid by a party of business men for a specific for Bright's Disease and Diabetes. They commenced the serious investigation of the specific Nov. 15, 1900. They interviewed scores of the cured and tried it out on its merits by putting over three dozen cases on the treatment and watching them. They also go physicians to name chronic, incurable cases, and administered it with the physician for judges. Up to Aug. 25 eighty-seven per cent. of the test cases either well or progressing favorably.

There being but thirteen per cent. of failures, the parties were satisfied and closed the transaction. The proceedings of the investigating committee and the clinical reports of the test cases were published and will be mailed free on application. Address JOHN J. FELTON CO.

## Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood.

If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

## A FRIGHTFUL RECORD.

Death-dealing forces have made a frightful record this month.

Explosions, earthquakes, waterspouts, tornadoes, wars, etc., have mercilessly sacrificed thousands of lives.

First and foremost was the earthquake in the French and British West Indies, which destroyed over 50,000 people.

Several hundred souls perished in the explosion of the steamer near Cairo, on the Ohio river, recently.

The explosion of cars of petroleum, near Pittsburg the other day killed several hundred.

A Texas cyclone whirled through Goliad Sunday, killing nearly a hundred persons and wrecking the town.

A Minnesota waterspout drowned several persons in Preston Sunday night and destroyed considerable property.

Near Knoxville, Tenn., a coal mine explosion killed three hundred miners Monday morning.

A gasoline tank exploded in a furniture factory in Pittsburg, killing two and injuring several men.

A hurricane raged the forepart of the week in India, killing many people and destroying valuable property.

Most of these casualties are recorded on the front page of one of our exchanges.

Sprinkled among the other telegraphic news is an account of a fatal storm in Dakota, an earthquake shock in San Francisco, attempted assassination in Russia, a whole family murdered by a jealous lover in Florida, two New York ferries meeting in a collision, and some minor events of the same order.

When we add to these horrors other incidents of the month—strikes, murders, suicides, accidents and many other events the reader will readily recall, we have an alarming list, one that makes us pause and think, if of nothing else, at least of the fact that we are far removed from these death-dealing, destructive forces, and have that much, anyway, for which to be thankful.

No Loss of Time.

I have sold Chamberlain's Colic, Cholera and Diarrhoea Remedy for years, and would rather be out of coffee and sugar than it. I sold five bottles of it yesterday to threshers that could go no farther, and they are at work again this morning—H. R. PHELPS, Plymouth, Oklahoma. As will be seen by the above threshers were able to keep on with their work without losing a single day's time. You should keep a bottle of this Remedy in your home. For sale by City Drug Store.
