AN EVENTFUL DAY

How Happiness Came into a Clouded Life.

"It was an eventful day for me," said Mrs. Marnie McLean, of No. 206 E. Congress street, Detroit, Mich. "I looked into the future and saw health and happiness in store for me."

"I had led a gloomy life," she continued. My entire girlhood was saddened by ill health, the result of a cold contracted at a critical time in my thirteenth year. Months and years of suffering followed and doctors did not help me. My blood had turned to water and the natural functions of my sex had ceased. A noted specialist in the diseases of women who was treating me said my case was hopeless and that I could not live more than a few years at the most.

"I was so weak that I could not walk across the room, I had not the slightest appetite, my feet and hands were always cold and I was miserable and unhappy. I wasted away to a mere shadow; I looked frightful and no medicine that I took did me any good. I tried to be resigned to my fate, but it was hard."

"Then came the eventful day. An old friend of our family came in and told me so confidently that Dr. Williams' Pink Pills for Pale People would cure me that I began to hope and life looked brighter. I started taking the pills and I soon could see that they were doing me good. My flesh began to feel warm, my color to come back and I felt stronger. Improvement was gradual but sure. I continued faithfully with the medicine and soon my functions became normal and health came back. My friends thought my recovery was almost a miracle and the physicians who had given me up for death were forced to admit that Dr. Williams' Pink Pills had done what they could not do."

No discovery of modern times has proved such a blessing to women as Dr. Williams' Pink Pills for Pale People. Acting directly on the blood and nerves, invigorating the body, regulating the functions, they restore the strength and health in the exhausted patient when every effort of the physician proves unavailing. These pills are sold in boxes at 50 cents a box or six boxes for \$2.50, and may be had at all druggists, or direct by mail from Dr. Williams Medicine Co., Schenectady, N. Y.

THE JEFFRIES-FITZSIMMONS FIGHT

BY ROUNDS.

ROUND 1.—They meet in the middle of the ring and spar. Fitz backs away. Jeff crosses lower. Fitz backs away from a left lead. Fitz sends left to mouth, and Jeff's left goes over Fitz's shoulder. Fitz sends left to Jeffries nose, and scarlet flows. Jeff rushes Fitz to the ropes, but failed to land him. Fitz jabbed nose again with left. Fitz blocks left lead and backs out of way of a left swing. Fitz ducks a hard left swing, then sent a left to Jeff's jaw and face. Jeff puts left to body; but gets a left on the mouth and another on the face. Fitz sends a solid right to neck and jabs it lightly at sound of bell. Fitz has made the best of first round.

ROUND 2.—Jeff tries left. Fitz is not there. Jeff ducks a left swing, and puts a left on breast. Jeff puts another left on chest and right to ear; but got a right on body. Fitz put left to jaw, dropped to stomach. Jeff sends left to breast. Jeff is short with left swing. They exchange lefts on body. Jeff rushes, sending two hard lefts to body. Fitz upper-cut Jeff on the mouth with left. Fitz jabs left to mouth. Fitz sends left to neck. He sends stiff to mouth. Jeff is bleeding freely from mouth and nose. Jeff is backing away from Fitz at end of round.

ROUND 3.—Fitz ducks away and blocks a left lead. Jeff does not crouch so much now. Jeff sends a left stiff to neck. Fitz sent a light left to nose. His gloves are covered with blood. Again he jabs Jeff's mouth with left. Jeff is short with a left swing. They clinch. As they break Fitz jabs a cruel left to mouth. Again he jabs the sore mouth. Jeff rushes Fitz with left but blocks his swing and talks to Jeff. Jeff swings left over Fitz's shoulder. Its Fitz' round, and old Bob is cheered to the echoes. He goes to his corner.

ROUND 4.—Bob backs away. They spar. Jeff landed right and left on face. Jeff is short with a left but smothered a swing from Fitz. Lands right on jaw and upper cut Jeff on chin. Jeff put two hard lefts on body. Fitz jabs Jeff three times on mouth and face. They come together and land rights on body. Jeff lands hard left on breast. Fitz ducks out of the way and put a light left on body. Jeff tries two lefts; but is short. Fitz puts left and right on face. Jeff ducked a swing as the bell rings.

ROUND 5.—They spar and exchange light lefts on neck. Fitz backs away from Jeff. Swings without much effort. Jeff crowds Fitz to ropes and puts left on neck. Fitz sent a left to Jeff's eye and body. Fitz ducks left swing and sends a light right to Jeff's head. Jeff swings a hard right to jaw. Jeff rushes and reaches Fitz with the left. Jeff sent a hard left to shoulder. Fitz sent two stiff lefts to face. Jeff sends left to nose and just missed Fitz with a right swing at close quarters. Fitz keeps Jeff bleeding freely. Jeff has landed some hard blows on Fitz' body. Bell.

ROUND 6.—They spar. Fitz breaks ground. Jeff leads left under Bob's guard. Fitz sent a stiff right to Jeff's good eye. Fitz put hard left to wind and right to mouth. Jeff got out of the way of any more. Fitz sent in two lefts to face. He exchanged left swings for jaw. Fitz jabs mouth with left. Fitz puts right on body. He swings left to mouth and again upper-cut Jeff with left and right. Both seem to be in blue. Jeff seems as fresh as when he stripped in the ring. As the bell rings Jeff landed a light left on chin.

ROUND 7.—Jeff puts left to Fitz' neck. He forced matters. Lands another in the same place. Fitz jabbed Jeff's neck with left and right. Fitz straightened Jeff up with left on mouth. Jeff put hard left on stomach. Jeff blocks a right swing. Fitz rushes, drives Jeff to the ropes with left, a right on face. Fitz put another light one on mouth. They clinch. Jeff ducks Fitz' right and throws his shoulder into Fitz. Fitz landed right on jaw. They clinch. They are in a clinch and Fitz grins as the bell rings.

ROUND 8.—Jeff follows Bob around the ring. Is short with a left swing. Fitz sent a straight left to mouth. Jeff puts left on wind, then left to chest. They exchange lefts on body. Bob swung left to face. Bob missed a right upper-cut that would have done business had he landed. They exchange glancing rights on body. They jab each other in face with lefts. Jeff sends Bob down and out with a hard right on face. The blow looks like a foul. Fitz got up, saying: "The man won." Threw his gloves on the floor and said: "This is my last fight."

Southern Oregon Mines

Operations at the Oregon Bonanza, located in Williams creek district, have been suspended, perhaps indefinitely. Col. Rogers, the superintendent, has left for San Francisco, to consult with the company he represents.

Dan Green has cleaned up the past season's work at his mines in Galice creek district, and is well pleased with the result.

H. Bantfield of Perdue, who is developing some mines in Elk creek district that promise very well, was at Portland recently. The Roseburg Review says that he is making preparations to put up a smelter, and expects to have it running before the snow flies.

J. H. Johnson, who represents a Boston company, is now operating in Josephine county.

The Mountain View Copper Co., whose property is located not far from Kerby, Josephine county, has incorporated, with a capital stock of \$1,200,000. J. L. and J. G. Sowell, W. J. McNamara and W. E. Olmstead are the incorporators. The company has a Vulcan smelter of the latest pattern in operation on the ground, which is turning out a considerable quantity of matte that assays as high as 60 per cent in copper. This promise to be a valuable property.

TWO MEN KILLED

By J. A. McDonald, Who Formerly Lived in Southern Oregon.

A shooting affray occurred on July 21st at Fall Creek, 12 miles from Klamathon, Calif., on the line of construction of the Klamath Lake railroad, resulting in the killing of Henry Hoover and fatal wounding of Mr. Loucks. McDonald, who keeps a tough place at Fall Creek, came into Yreka at 4 o'clock next morning, in an intoxicated condition, and told that Hoover and Loucks met him on the road and began joshing him about his team, and finally wound up by assaulting him. He said that under provocation and in self-defense he drew his gun and shot Hoover dead, and then aimed at Loucks, the ball from his gun entering Loucks' left side and coming out at the right side. McDonald displayed marks on his body that he said were from the assault of the two men he had shot. He was at once arrested and placed in jail.

McDonald formerly kept a saloon at Klamathon. He has the reputation of being a man who is quite ready to use and is handy with his gun. Hoover was a half-breed, who once lived in Jacksonville, and has been working on the railroad construction, and Loucks is the boss of a construction gang engaged on the same work.

The Best Liniment for Strains.

Mr. F. H. Wells, the merchant at Deer Park, Long Island, N. Y., says: "I always recommend Chamberlain's Pain Balm as the best liniment for strains. I used it last winter for a severe lameness in the side, resulting from a strain, and was greatly pleased with the quick relief and cure it effected." For sale by City Drug Store.

A First-class Educational Institution.

The Southern Oregon State Normal School is making thorough preparation for the coming year's work. The buildings are being remodeled and repaired, and extensive additions to the chemical and physical departments are being made. The faculty is composed of strong teachers consecrated to the work, and each department is in the hands of a specialist.

A year's course in Latin and in Economics has been added to further prepare teachers for high school work. The training department will be especially strong. A man of splendid education and wide experience will be at the head of this department. Much attention will be given to oratory, and athletics will be made prominent. The citizens of Ashland have guaranteed some \$200 as prizes for excellence in these lines. The City Library of 2000 volumes is thrown open to students of the institution. Board and lodging can be had at from \$2.50 per week to \$4.00. Climate healthy. Course of study practical and exhaustive. Fair catalogue of announcements, write B. F. MULKY, President, or CLIFFORD THOMAS, Secretary, Ashland, Oregon.

REDUCED RATES TO THE EAST

Those contemplating an eastern trip will be interested to know that there will shortly be on sale greatly reduced rates tickets in connection with the Rio Grande System, the famous "Scenic Line of the World."

This line offers its passengers a most delightful and comfortable journey to all eastern points.

It is the only transcontinental line passing directly through quaint and picture-gue Salt Lake City, "The City of the Saints," beautiful Glenwood Springs, Leadville, Pueblo, Colorado Springs (where a side trip may be made to the "Garden of the Gods" and the summit of Pike's Peak over the cog-wheel railroad) and Denver, the queen city of the inter-mountain region. Stop-overs are allowed on all classes of tickets.

Three daily express trains make close connections with all trains east and west, and afford a choice of five distinct routes of travel. The equipment of these trains is the best, including free reclining chair cars, standard and tourist sleepers, a perfect dining car service, and also personally conducted excursion cars, each in charge of a competent guide, whose business is to look after the comfort of his guests. No more pleasant and inexpensive means of crossing the Continent can be found than is provided by these excursions. For additional details address:

What are Humors?

They are vitiated or morbid fluids coursing the veins and affecting the tissues. They are commonly due to defective digestion but are sometimes inherited.

How do they manifest themselves?

In many forms of cutaneous eruption, salt rheum or eczema, pimples and boils, and in weakness, languor, general debility.

How are they expelled? By

Hood's Sarsaparilla

which also builds up the system that has suffered from them.

It is the best medicine for all humors.
