INDIAN WAR VETERANS' REUNION

A Grand Success, and a Day Long to be Remembered by the Old Veterans.

The Indian war veterans of Southern Oregon, to the number of 60, gathered in Medford last Saturday afternoon, and had the pleasure of renewing old acquaintances, exchanging reminiscences and enjoying a fine programme that had been prepared for their benefit under the auspices of Chester A. Arthur Post No. 47, G. A. R., of that city. There were also present about a dozen widows of veterans, who had come to share the pleasures of the reunion and to ascertain what steps they should take to secure their pensions. Post Commander Stewart called the meeting to order, after which, at his suggestion, H. D. Jones was made secretary.

Secretary Jones then read a letter from Congressman Tongue, expressing his regrets at not being able to attend the reunion, and of his interest in their welfare and for the success of their reunion.

End Hamilton, with his sister, Miss Venita, as accompanist, gave a song and dance, which was so greatly appreciated by the veterans that they recalled them by a hearty encore, and had the girls give them another musical treat.

Commander Stewart then introduced Hon. W. M. Colvig of Jacksonville, who gave a historical address that was deeply interesting from first to last, being a synopsis of the history of the Indian wars of Southern Oregon, together with many incidents and anecdotes which illustrated both the pathetic and the ludicrous phases of Indian warfare.

Mr. Colvig's address was really a masterly effort, and was a treat to all who are interested in the early history of Southern Oregon.

Mrs. E. Gore, who came next on the programme, gave a vocal solo that brought the lady a hearty round of applause, so well did her singing please the audience.

T. A. Wood of Portland was present and gave an address, in which he fully explained the Indian war pension law and what proof would be required of the applicants to receive their pensions.

The reunion was a success, notwithstanding the apathy of the citizens of Medford toward it, and will be remembered as a bright day in the lives of the old veterans.
