SOME IDEA of the magnitude of the Panama canal construction may be gathered from the statement that when operations are fully under way there will be from 20,000 to 40,000 laborers employed. It is expected that West Indian and American negroes will be relied on largely by labor contractors. If they cannot be secured in sufficient numbers, Japanese and even Chinese labor may be used. # Tired Out

"I was very poorly and could hardly get about the house. I was tired out all the time. Then I tried Ayer's Sarsaparilla, and it only took two bottles to make me feel perfectly well."- Mrs. N. S. Swi. ney, Princeton, Mo.

Tired when you go to bed, tired when you get up, tired all the time. Why? Your blood is impure, that's the reason. You are living on the border line of nerve exhaustion. Take Ayer's Sarsaparilla and be quickly cured. \$1.00 a bottle.

Ask your doctor what he thinks of Ayer's Sarsaparilla. He knows all about this grand old family medicine. Follow his advice and we will be satisfied.
