IT is said that the women's clubs of the nation, which have a membership c 200,000, will join with several church d nominations in a crusade to bring a out the expulsion of the Mormon a sostle Smoot from the United States sonate. A lively campaign is promised if the report in true, but whether it expelling Smoot; but such influence may be brought as to cause Congress to take some action in the matter.

the month of May show that the total his own pistol. number of deaths was 578 and births 422. A hundred and fifty more deaths than births is a proportion calculated to have its effect on the growth of the city, were it not for the fact that immigration is exceedingly large. The greatest number of deaths was caused by consumption (80), and the next greatest by heart trouble (20). Misadventure and surgical shock were responsible for 42 deaths; there were four homicides and 10 suicides.
