By the use of this remedy disordered digestion and diseased stomachs are so completely restored to health, and the full performance of their functions naturally, that such foods as would tie one into a double-bow-knot are eaten without even a "rumbling" and with a positive pleasure and enjoyment. And what is more - these foods are assimilated and transformed into the kind of nutriment that is appropriated by the blood and tissues. Kodol is the only digestant or combination of digestants that will digest all classes of food. In addition to this fact, it contains, in

assimilative form, the greatest known tonic Kodol cures indigestion, dyspepsia and al disorders arising therefro Kodol Digests What You Eat Makes the Stomach Sweet.

"Two years ago my hair was falling out badly. I purchased a bottle of Ayer's Hair Vigor, and soon my hair stopped coming out." Miss Minnie Hoover, Paris, Ill.

Perhaps your mother had thin hair, but that is no reason why you must go through life with halfstarved hair. If you want long, thick hair, feed it with Ayer's Hair Vigor, and make it rich, dark, and heavy.
