

Mrs. Fairbanks tells how neglect of warning symptoms will soon prostrate a woman. She thinks woman's safeguard is Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM: - Ignorance and neglect are the cause of untold female suffering, not only with the laws of health but with the chance of a cure. I did not heed the warnings of headaches, organic pains, and general weariness, until I was well nigh prostrated. I knew I had to do something. Happily I did the right thing. I took Lydia E. Pinkham's Vegetable Compound faithfully, according to directions, and was rewarded in a few weeks to find that my aches and pains disconnected and Lagrain felt the glow of health through my body. Since appeared, and I again felt the glow of health through my body. Since I have been well I have been more careful, I have also advised a number of my sick friends to take Lydia E. Pinkham's Vegetable Compound, and they have never had reason to be sorry. Yours very truly, MRS. MAY FAIRBANKS, 216 South 7th St., Minneapolis, Minn." (Mrs. Fairbanks is one of the most successful and highest salaried travelling saleswomen in the West.)

I had a frequent desire to urinate, and it was very painful, and lumps of blood would pass with the urine. Also had backache very often.

"After writing to you, and receiving your reply to my letter, I followed your advice, and feel that you and Lydia E. Pinkham's Vegetable Compound have cured me. The medicine drew my womb into its proper place, and then I was well. I never feel any pain now, and can do my housework ease." - Mrs. Alice Lamon, Kincaid, Miss.
