Do not hesitate to recommend Kodol Dyspepsia Cure to their friends and customers. Indigestion causes more iil health than anything else. It de-Cure digests what you eat, cures indifrom Colorado, is again at work in El- gestion, dyspensia and all stomach disorders. Kodol is not only a perfect Mrs. A. L. Harvey of Gold Hill vis-ited relatives and friends living in Med.

Pacific Coast the Mecca.

"If I were 20 here is where I should come," said Henry Watterson, the veteran editor of the Louisville Courier-Journal, as he comfortably chatted after his lecture on Lincoln in Portland. "In 50 years there will be a population of 50,000,000 in the section Rocky mountains. By that time the dominating influences will be on the

Pacific and not on the Atlantic coast. "Westward is still the course of empire. By that time there will be one and perhaps two isthmian canals and He will conduct a confectionery and tant by rail from New York. The Pacific ocean will then be the great highway of commerce, and this magnificent section, so blessed by nature, so bland in its climate and so riotously prolific, will logically come to

the very forefront. "Many cities will dot the whole Pacific coast, achieving an importance now scarcely dreamed of; but there quence, which will be in constant business touch with the whole round earth-one north and the other south

the life-time of the boys who are now make a success of life with the opportheir magnificent environment, the fault will be with them and not with
