A REMARKABLE TEST

APPLIED BY A TEACHER IN A LEADING UNIVERSITY.

Demonstrates the Power of Dr. Williams' Pink Pills to Restore Vigor to Sufferers from Nervousness.

Mrs. Leander Lane, wife of the minister of the Christian Church, of No. 2010 I street, South Omaha, Neb., tells how her daughter has been enabled to resume her professional work as a teacher after suffering for nearly three years from severe nervous prostration.

"When she was passing from girlhood to womanhood," says Mrs. Lane, "she suffered greatly from difficulties peculiar to her sex. The physician did not help her, but a few boxes of Dr. Williams' Pink Pills brought about the perfect regulation of her system.

"While she had escaped from one grave trouble, she unfortunately began to overwork, first as a student and then as a teacher in a large Iowa institution for orphan boys. She enjoyed her work and was very enthusiastic, but the strain finally told on her. She became pale, weak, nervous, unable to sleep, she had no appetite and she suffered from severe headaches. Then came a complete breakdown and her work had to be given up.

"In this emergency we again tried Dr. Williams' Pink Pills. Improvement came at first slowly and we sometimes doubted whether she was gaining, but we noticed that whenever she stopped taking the pills she fell back, and whenever she resumed their use she revived and we kept up the treatment until she recovered her usual health and was able to take a position in one of our universities where she is happily at work. My mother, my daughter and myself have a well-founded confidence in the merits of Dr. Williams' Pink Pills and are always ready to recommend them."

This is simply one more proof that these pills seek disease at its source and effect fundamental cure. They cure various diseases because these have a common origin in impaired blood or nerves. They put the entire system in a healthy condition, because they introduce vigor that is distributed to every part. They arrest physical decay when it seems inevitable and find a road to restoration when all doctors miss it. They are sold by all druggists throughout the world.

Received Another Verdict.

Miss Biddle McCarty has traded her reputation for \$100,000 of James D. Herford's money. After 15 minutes' deliberation Friday afternoon the jury which had for three days listened to the famous breach of promise case in Judge Bellinger's court at Portland brought in a verdict for \$100,000 in favor of the Wisconsin schoolma'am who sued the wealthy Lakeview estate for \$70,000 damages. Miss McCarty certainly earned the money.

Through two long trials she has sat and heard herself called all the names that may be cast at an unscrupulous or wanton woman. Twice she sat in the witness chair and confessed to the voluntary surrender of her virtue. While the man in the suit had never fallen from the straight and narrow path.

This was the second trial of the case, the first, which resulted in a verdict of \$20,000, having been set aside by Judge Bellinger on the ground that the amount awarded was excessive. Under the instructions given by the court to the jury about the only question to be decided by the jury was the amount of damages, and the verdict will not be set aside.

Spring Medicine

There is no other season when good medicine is so much needed as in the Spring.

The blood is impure, weak and impoverished—a condition indicated by pimples and other eruptions on the face and body, by deficient vitality, loss of appetite, lack of strength, and want of animation.

Hood's Sarsaparilla and Pills

Make the blood pure, vigorous and rich, create appetite, give vitality, strength and animation, and cure all eruptions. Have the whole family begin to take them today.

"Hood's Sarsaparilla has been used in our family for some time, and always with good results. Last spring I was all run down and got a bottle of it, and as usual received great benefit." Miss Estelle Boyd, Stone, Vt.

Hood's Sarsaparilla promises to cure and keeps the promise.

The postoffice department urges all who use the mails to have written or printed on the upper left-hand corner of the envelope their names and postoffice addresses. Your box number and postoffice address is sufficient, if preferred. It is not necessary to say return in 10 days, as the postmaster has their regulations and do not require to be reminded of them. If the letter for any reason cannot be delivered it is promptly returned, and it saves the trouble of sending it to the dead letter office, and have it opened to find the address of sender, should it happen to be given.

Jacksonville vs. Gold Hill at Jacksonville, June 5, 1904.

This was one of the most interesting and well played games of the season. It was well attended and created considerable enthusiasm. Eleven innings were consumed before the final tally was made by Jacksonville.

The score stood 7 to 6 in favor of the home team.

Romer, who has been playing with the Eugene team, has been signed by Manager Beaman of the Nuggets and will wear the Gold Hill uniform. He is a clever player and will give a good account of himself.

The following is the score:

Medford vs. Ashland.

In Sunday's contest Ashland Carmel Martin, the well-known pitcher, made his first appearance in Southern Oregon this season. He did good work in the box, striking out 13 men. Runnals was quite effective up to the 5th inning, when Medford Gray had four tallies to their opponent's none.

He struck out 8 men. After that Ashland had them at their mercy.

It was quite an interesting game, and was witnessed by a big crowd. Its principal features were the home runs of Northrop and Thomas, the Greys' left fielder and first baseman.

The summary of the game is: Score—Ashland 11; Medford 4. Home runs—Thomas and Northrop. Struck out—By Ramsdell, 8; Martin, 13. Bases stolen—Medford, 2; Ashland, 2. Double plays—Medford, 0; Ashland, 2. First base on called balls—Off Ramsdell, 2; Martin, 1. Umpire—King.

The Flag of Victory.

The thirteen Stars and Stripes was triumphant at Saratoga in 1777, also in the War of 1812, Mexican War, Civil War and Spanish War. With such a record our flag has been truly called "The Flag of Victory." On account of the unequal record of cures made by the famous Hestetter's Stomach Bitters it has also been truly called "The leader of its class." In fact, it is so safe and reliable that prominent physicians all over the country never hesitate in recommending it to their most delicate patients, knowing from past experience that if a cure is possible, the Bitters will effect it. A single bottle is all that is necessary to convince you of its value in cases of indigestion, dyspepsia, constipation, biliousness or malaria. Be sure to try it.

Base Ball Notes.

Probably the best ball game of the season was played in Medford Thursday, on the grounds of the Athletic Association, between the home team and the Ashland nine. It was full of exciting plays, some of which were even brilliant, while errors were conspicuous by their absence. Medford won by a score of 4 to 2, certainly a very good one. Hutson and Northrop were the winners' battery, while Jack Cleveland and Charley Jacobs represented the visitors in like capacity. We regret that our limited space precludes our extended account of the game. Barkdull umpired the game and gave general satisfaction.

Jacksonville and Gold Hill played a very ragged game on what is called the Nugget's grounds—mining claim would probably be nearer it. The Gold Bricks were bogus this time and played like escapes from a kindergarten, while their opponents did very little better. The score stood 12 to 11 in favor of Gold Hill. The batter was Bross and Moore for Gold Hill and Lester and Cruger for Jacksonville. Both teams were short some of their best players which will in some measure account for the poor game put up.

BRIEF MENTION.

Carmel Martin has returned to Oregon from Salinas, Calif., and is pitching winning ball for Ashland.

The graduating exercises of the Central Point school will be held this week. Prof. W. T. Van Svoey of the S. O. S. N. S. delivered the baccalaureate sermon Sunday.

The box social in Morton school district, held last Friday evening, was a success in every way, the sum of \$22.90 being realized. Miss Phelster, an excellent teacher, has been in charge of the school during the past few months.

A large sum of money was staked in Medford on the result of the election. Most of it was bet on the result of the contest for county clerk. The friends of Mr. Davis were confident of his election until Tuesday morning and backed him liberally.

It looks very much as if Jacksonville had given a considerable majority for the local option proposition. Evidently many did not vote understandingly on it, as communities known to be pronounced against it cast majorities therefor.

The remains of the late Edward A. Swope, who died in San Diego, Cal., May 21, will be buried in the Ashland cemetery Sunday, June 12th. The funeral will be under the auspices of Ashland Lodge No. 23, A. F. & A. M., at 2 o'clock p. m.

The Portland Browns, of the Pacific Coast League, which is now playing winning ball in California, will be here next Tuesday, for a game with the Medford Grays. This promises to be the principal event of the ball season and will draw a big crowd.

The Palm-Whitman Cigar Co., as a Medford institution, is no more. It moved its headquarters to Portland during the past week, which will hereafter be located at Sellwood, a suburb of that city. This is a serious blow to our city, but it seems that it could not be averted. The company has our best wishes.

The people of our city are cordially invited to attend commencement exercises of the Southern Oregon Normal School, The Cantata "The Gypsy Queen," Tuesday evening, June 14th, will be especially fine. Governor Chamberlain and Supt. Ackerman will address the class and the public at 2:30 p. m., Wednesday June 15th.

The question of allowing hogs to run at large in Jackson county seems to have been decided in the affirmative by a large vote, notwithstanding the fact that quite a number of voters cast No against the intention of the voter. The festive pot will therefore still be allowed to roam about at his own sweet will.

The Valley Record says that E. K. Anderson has purchased F. M. Drake's handsome residence property in Ashland; consideration \$4000. Mr. and Mrs. Anderson and their daughter, Miss Belle Anderson, will move to Ashland next fall and make their home in the new residence. Mr. Anderson has led an extraordinarily active and useful life and is preparing to ease up and give himself the comforts of a less strenuous existence.

S. C. Swagerty and his son have taken the contract to log for the Jacksonville Lumbering Company, who are operating on the Blocher place, located three months from Jacksonville. They are experienced loggers and the company is fortunate in securing their services. Mrs. Hamilton, daughter of Mr. Swagerty, went with them to take charge of the mess house.

Medford and Gold Hill will play on the grounds of the Medford Athletic Association Thursday and Sunday next. The games are certain to be interesting, as both teams have been considerably strengthened. The public should patronize the week-day games more than they do, as the league is at considerable expense and cannot be made a success without liberal patronage.

Gen. Joubert, one of the heroes of the Boer war, delivered an illustrated lecture on that notable event in the world's history at Wilson's Opera House under the auspices of the Baptist church on Monday evening. It was quite interesting and pleased the large audience very much. Gen. Joubert is a large, fine appearing man, who looks every inch a soldier and gentleman. He is rapidly assimilating the ways of this country, and promises to be as good on the platform as on the battlefield.

J. W. Hamaker was over from Klamath Falls, accompanied by Wm. Hicks, who is generally known across the mountains as "Old Bill" Hicks. The latter is a veteran of the Indian wars and Mr. Hamaker was taking him to Jacksonville, that the old man's identity might be established in order that a pension can be applied for. Mr. Hicks has lived for the most part of a long life among the Indians, and the matter of establishing his antecedents is somewhat difficult.

O. O. Holman has returned from Sacramento, where he has been participating in a two-day tournament of the Northern California Rod and Gun club. The tournament consisted of 16 events; there were about 75 marksmen present in competition for the various prizes. Mr. Holman was very successful, and in a 20-bird shoot won the individual championship medal of Northern California. In addition to this he captured the highest general average medal, and pulled down about \$100 in prize money, says the Tidings.

As is sometimes the case immediately preceding state and national elections, and this being a year in which both occur in Oregon, business becomes a little dull. There is no disguising this fact. But, on the other hand, there is no anxiety as to the

A Strong Heart

Is assured by perfect digestion. Indigestion swells the stomach and puff-it up against the heart. This causes shortness of breath, palpitation of the heart and general weakness. Kodol's Peppermint Cure cures indigestion, relieves the stomach, takes the strain off the heart and restores it to a full performance of its function naturally. Kodol increases the strength by enabling the stomach and digestive organs to digest, assimilate and appropriate to the blood and tissues all of the food nutriment. Tones the stomach and digestive organs. Sold by all druggists.

The Robbery Doubted

The fact that there is not to be found the slightest clew to the robbery alleged to have robbed W. H. Aurelius, Local Pullman Cashier at Portland, had led the police authorities to conclude that the robbers are figments of a vivid imagination. Detectives Weiler and Hartman and Chief of Police Hunt, who are familiar with all the details of the theft of the \$2549 by alleged robbers, are firm in the belief that no robbery was committed, at least that no violent robbery was committed upon Aurelius.

They have arrived at this conclusion after learning that Aurelius has been gambling heavily and losing in the different gambling-houses of the city and that he has been traveling a very rapid pace for a long time past. It has also been learned that he made an effort to borrow \$500 from an employe of the Columbia Transfer Company named Mack. When confronted with this information Aurelius denied it.

Prescott, Ariz.—After forty hours of desperate effort, the party of rescuers at work at the Hackberry mine, in the Bigbig district, came to the bodies of the two imprisoned miners, Mason King and Perry Hawkins. The men were imprisoned by the fire which broke out at the mouth of the mine last Thursday. Both were dead when found.

Washington—Although not officially announced, it is understood that the order of merit of the battleships in the recent record target practice, so far completed, is as follows: Oregon first, Wisconsin second and Iowa third. The battleship Illinois is now engaged in target practice in Martha's Vineyard.

Guaymas, Mexico—Army officials here have been advised that three companies of federal soldiers, which went out in pursuit of the band of Yaguas which has been raiding ranches and recovering the hostages taken by the Yaguas where the ranches were pillaged and burned.

LOCAL NOTES.

J. H. Hoffman made Medford a visit Wednesday.

District Attorney Reames went north Wednesday evening.

Geo. Walter, a prominent citizen of Applegate, did business here a few days ago.

Another daughter was recently born to Mr. and Mrs. K. K. Kubl of Portland.

W. E. Thompson, the mining expert, returned Wednesday from a trip to Mexico.

S. E. Dunnington and D. B. Thompson made a trip to Ashland a few days since.

Misses Lydia and Maud Pernoll of Applegate were recent visitors in Jacksonville.

Wm. Dorn of Watkins district, the pioneer miner, did business in our town Wednesday.

H. F. Bailey, the energetic representative of the Singer S. M. Co., has been here lately looking after collections.

Miss Emma Wulf has returned from Ashland and resumed her position as saleslady in J. L. Learned's confectionery store.

Mrs. T. B. Roberts has been visiting her sisters, Mrs. W. H. Miller and Mrs. C. T. Davidson, also her brother Lester Bailey.

Miss Daisy Huffer was in Medford Wednesday, to meet her sister Miss Olio, who has been attending the University of Oregon.

There is no truth in the report that Joe Murphy has bought a barbershop in Ashland. He may still be found at Luy's tonorial parlors in Medford.

Mrs. Chas Campbell of Stockton, Cal., (nee Anna Donegan) arrived in Jacksonville Monday, for a visit with relatives and friends. She is accompanied by her two children.

Two prominent citizens had a scrap over school matters, which resulted in one getting a beating. The other was brought before Recorder Dorr and fined \$6, which he paid.

Rev. Robt. Ennis, who has been away from Jacksonville for several years, will soon return and resume charge of the Freyberthian church. He will be warmly welcomed by his many friends.

The commencement exercises of St. Mary's Academy will be held Wednesday, June 16th, when graduating honors will be conferred on Miss Ambrose Murphy. The program will be a most excellent one.

The pupils of St. Mary's Academy will give an entertainment at U. S. Hall Monday evening, June 13th. A splendid program has been prepared therefor it will doubtless be a very interesting event and receive the liberal patronage it deserves.

The latest returns indicate the reelection of District Attorney Reames by a majority ranging between 50 and 75. Gold Hill and Mound, both Democratic precincts, did the mischief, Newbury getting a majority in each. Personal matters, instead of official reelection, was the cause of this defection.

Miss Josephine Donegan has returned from Applegate, where she has been teaching a successful term of school. Her pupils gave an excellent entertainment Thursday afternoon. A box social given in the evening at Rose's Hall was followed by a dancing party, both of which were pleasant affairs. The proceeds thereof will go toward buying uniforms for the Applegate base-ball club.

The defeat of Judge Prim is regretted by all who appreciate efficiency in office and solicitude for the public welfare. He made a splendid county judge, displaying excellent executive ability, being attentive to his duties and practicing rigid economy in everything. We fear that a grave mistake has been made. If anyone ever deserved reelection it was Judge Prim. It seems very strange that it was denied him.

Let me say I have used Ely's Cream Balm for catarrh and can thoroughly recommend it for what it claims. Very truly, (Rev.) H. W. Haisway, Elizabeth, N. J.
