THE INTELLIGENT FARMER

He Is Bothering the Republicans With Awkward Questions. Giving the farmers taffy before election and promising them legislation that never was intended to materialize is a favorite game of the Republican leaders. It is therefore not an unexpected pleasure to read the first installneut of guff and bluff given out by Hon. Joseph Weeks Babcock, chairman of the Republican congressional ommittee, in which he brings in the intelligent farmer" as the standby of he G. O. P. Mr. Babcock says he has applicit faith that the "intelligent rmer" will vote the Republican tickfor they have telephones in their ouses and read the daily newspapers. That Mr. Babcock really believes the intelligent farmer" will support the arty in league with the trusts and orporations is doubtful, for he is evi-

dently much exercised, though he says

he is not worrying over the outlook for

a Republican majority in the next con-

Yet Mr. Babcock evidently is alarmed bout what the "intelligent farmer" vill do, for he also says, "It keeps a member of congress busy all the time to answer the questions they ask him about public affairs." Maybe when he gave out that interview Mr. Babcock was thinking of the uncomfortable tituents have been asking him about For slats get poplar four inches wide with the railroad corporations, of padto the standards four inches apart. The institutions and his failure to push his top railing is made extra strong by bill to reform the tariff schedule that putting on an extra strip which has a shelters the steel trust, though he had grown at 62 cents.
