Guard. The mother had evidently taken this means to hide her shame. The news gatherers condemned the woman with awful horror, the public is shocked and the mother is condemned. How about the father? He has accomplished his work; he deserts, of course, the woman and child and morally he is much the worst of the two. The public is inclined to kick the weaker sex. The man may accomplish his fiendish work, often a little short of rape, but there seems to be no punishment for him. He can resume his former place in society and follow his vocation none the worse for his perfidy. This state of affairs can end none too

Spring Medicine

There is no other season when good medicine is so much needed as in the Spring.

The blood is impure, weak and impoverished-a condition indicated by pimples and other eruptions on the face and body, by deficient vitality, loss of appetite, lack of strength, and want of animation.

Hood's Sarsaparilla and Pills

Make the blood pure, vigorous and rich, create appetite, give vitality, one of endurance and bravery, and strength and animation, and cure either side may win in the long run; all eruptions. Have the whole family but just now the merit seems decidedly Ed Donegan, If 4 1 1 0 2 begin to take them today.

"Hood's Sarsaparilla has been used in our family for some time, and always with good results. Last spring I was all run down and got a bottle of it, and as usual received great benefit." MISS BEULAH Boycy, Stowe, Vt.

Hood's Sarsaparilla promisas to cure and keeps the promise.
