OF We regret much that our Washington Correspondence has not arrived in time to place it before our readers sioned by the mail from Yreka to this place bringing mail matter over only once in two weeks, and this is one of the weeks the mail does not travel between this and Yreka.

Gen. Lane, our Delegate in Congress, has sgain placed us under obligations for several valuable public docaments, received by last mail.

007 No Democrat should forget that to-day is the time appointed for Precinct meetings, and all who can should attend in each Precinct.

PURCHASE OF SONORA .- We take the following from the Sacramento Union of the 10th:

There are parties of influence from California and Arizona now at Washington, urging the purchase by our Government of the State of Sonora, Mexico, and there is no doubt that the Administration will buy it. Negotiations are now progressing with that view. I know that Mexico has proposed to sell, for that country is of no use to her, it being overrun by the Apache and other Indians, who are a terrer to the inhabitants; and, however, the troubles now existing in that distracted Republic may terminate, the government, if any be established at , will need and must have money -The parties urging this matter want They expect to get as far down as the 28th parallel, taking in a part of Sinalon.

ARCHY DISCHARGED .- The opinion in the Archy case was delivered this afternoon, by the U.S. Commissioner, At the close of his decision, he makes use of the following language : "As there are no satisfactory proofs to demonstrate the escape of Archy from Mississippi, and the evidence is clear that he was brought into the State voluntarily by his owner, and as the tes timony clearly ascertains that, after coming into the State, the claimant hired out Archy and went into business on his own account, thus disaffirming the fact that claimant was merely passing in transitu through the State with his captive runaway, an order for the discharge of Archy from the custody of the United States Marshal must be made." Arehy was accordingly dis-charged .- Dispatch of Sacramento Union, 14th inst.

When addressed by letter, where a written answer is required, the usual fee (\$10) will be exacted. Office Office hours, from 10 o'clock A. M., to S P.
