CONSULTATION GRATIS.—The extensive practice which Dr. J. C. Young has acquired in California is to be attributed in a great measure not only to his skill and experience, but to his liberality. Persons afflicted with any disease cognizant in his branch of pharmacy, may consult him, at his office, any day, free of charge. When addressed by letter, where a written answer is required, the usual fee (\$10) will be exacted. Office hours, from 10 o'clock A. M., to 8 P. M. Invalids placing themselves under the charge of Dr. Young can rely upon a speedy and permanent cure. The Doctor's uniform practice has been to take no pay unless a cure is effected. "No cure, no pay," is his motto. Letters and certificates innumerable, from those who have been cured of long standing and chronic diseases under his treatment, are always open to the inspection of the public at his rooms. His medical ability is ably and thoroughly demonstrated in his numerous medical works, copies of which can be had at his office. Having been voted an honorary member of the Royal College of Surgeons, London, the highest surgical body in existence, he feels confident that his services cannot fail to be appreciated in a discerning community.
